PRESIDENT'S MESSAGE

Dear Gascarians,

The first week of June is in the books and the year continues to move forward quickly. By the time you receive this, we will have enjoyed the Trenton Peach Festival, had a great BBQ pot luck dinner and enjoyed the hospitality of John and Sandra Moore. John and Sandra graciously open up their house and garage(s) for one of the highlight events of the year.

We had a good turnout at our May monthly meeting and got to see a good number of pictures from our last few events. Thanks to Deb and Wayne Joiner plus Jim and Donna Martin for the delicious refreshments.

Don't forget our monthly meeting on June 19th. There will not be a program although we will meet at Fox Appliance for trivia and announcements and then head to the Sonic on Wheeler Road for refreshments. We generally have a good turnout for Sonic and I assume this will be no exception. If all goes well, July's meeting will be a presentation on body work and prep for painting. Looking forward to an informative program

For your longer range calendar, don't forget that Johnny Hensley and the Red Hots perform their 60th (and final) concert reunion on the 28th of July, 8 PM at the Imperial Theatre. We already have 10 cars signed up to attend this event. That evening is also the monthly cruise in at SNO-CAP so this will be a busy evening for GaSCar members. Speaking of the SNO-CAP, the theme this month is "sports cars" and for July, the theme is "Corvettes". If you drive one of these cars, you get to park under the canopy (assuming you get there early enough).

We are looking at the possibility of having an ocean cruise next spring if there is enough interest. Think about what your interest level is and we'll pass around a list at the meeting to gauge the interest. The board is always looking for events you would like to see GaSCar participate in. Please let me or one of the board members know of your ideas.

We still have several members who are in need of our prayers. We try to keep you all informed of their latest status (if we know it).

Please check the GaSCar webpage at www.gascarclub.com for the latest status of upcoming events and hope to see all of you at the June meeting.

Mike
