January 2017 Meeting Notes (Volume III, Issue 1)

On this January 4th meeting for the New Year -- the newly re-elected president opened the meeting with 13 members in attendance at the VFW. The treasurer reported zero dollars because we used all of the funds for our annual prize give-a-way. But later on-- we quickly were back to **\$385** after many members payed for the year from dues collected!

Old Business: Greg briefly discussed the club's adopt a highway and adopt a spot clean-ups saying that we had voted to continue supporting the Adopt --a- Spot downtown but we have given up the Adopt-a-Highway cleanup program. He also mentioned the new officers for 2017 are the same as last year. So everyone was re-elected and kept their positions as follows: *Greg - President, Fred - VP, Bill - Secretary, Allamay -Treasurer*. Greg thanked everyone again for participating throughout the year and especially these individuals who stepped up to the plate again for this New Year!

New Business: *We did have a nice size crowd for starting off this new year of 2017, and they were certainly ready for some prizes! Switching things up this year, we gave away two detectors and had random prize bags for everyone in attendance!*

The tickets collected throughout the year was tumbled and allotted one metal detector.

We gave away a **Garrett Ace250** to Larry. Congratulations and thanks to everyone for supporting our events throughout the year.

Now the random part. *We had enough prizes to make sure everyone received a silver dime, buffalo nickel and an Indian head penny. Also, in the prize bags were other random items like coins, arrow heads, and relics. Each bag contained a container that could be used to hold coins while hunting and every prize was in a nice bag. The next tickets were drawn from the attendance tickets, to ensure everyone went home with a prize.*

Brownie won the second detector, a **Minelab Go Find 40!**

CVTTH Team Hunt -- Saturday, January 21st, 2017

(Note: we met at the Pack Saddle at 9 AM)

This was a good start to a great detecting year because we had enough members to create 3 teams.
So we drew names, picked parks, and headed out to start swinging.

After hunting for an hour and a half, the winners were team #2 = Allamay, Glen and Steve.
Their prizes for hauling in 39 coins out of the ground. *(see pic below)*
