

The project turned out very good. The added pressure of being away only enhanced the professionalism I received from Smith Landscapes. Before I even made it home I received call on a great job and who did it. I just want to say thank you and look forward to hearing from me in the near future....

Once again thank you for everything.

Just wanted to thank you for the mulch delivery yesterday! I love my new landscape and appreciate the hard work from all the guys. They were all so nice!

I look forward to more projects in the future.
