Rules of Play

GOGGLES: Must be worn at all times on the field and when chronoing. Goggles must meet or exceed AST standards. Goggles must be properly worn in a way to maximize eye protection. There are no circumstances that would allow you to remove your goggles on the playing field or when in the chrono station. If you have to defog/remove paint splatters, please find a referee.

MARKERS: Must be fitted with a barrel sock/plug at all times except on the field of play or when chronoing. All markers must be of .68-caliber and be in safe operating condition. Trigger guards are mandatory. All modes of play are acceptable so long as safety rules are abided.

MARKER VELOCITIES: There will be no hot markers allowed on the field of play. All markers must be chronoed under 285fps. If you break the rule once, you will be asked to leave the field for 30 minutes. The second time you are caught you will be ejected from the facility without refund. There will be no exceptions.

PAINT CHECK: Splatters do not count unless it is from a grenade. Any hit, nickel-size or larger to the body, head, marker and/or equipment counts as an elimination. If you need a paint check, stay in place and call for a referee. Do your best to check yourself.

SURRENDERING: If a player is close enough to be eliminated, the opposing player may ask him to surrender. The player to be eliminated now has the option. He must indicate acceptance to the other player immediately. Be smart, if someone is that close, surrender.

I understand and agree to comply with the Facility Rules and Rules of Play. I understand failure to adhere to these rules will cause mandatory ejection without refund. In addition, damage to persons, facility or surrounding properties will result in a fine equal to costs incurred including but not limited to medical, repairs, cleaning, construction, labor, administrative and legal fees and will be the sole responsibility of the participant.
