BULLETIN

May & June, 2018

Celebrate Summer

This edition of the Bulletin kicks off our busiest season here at Sunset Villa. We hope you can join us in our beautiful park this summer.

Campground opens

The 2018 Camping season is underway. We have 60 fully-serviced camping spots among the pine trees. You can camp with us for the season or for a weekend. It is great way to get out of the city and enjoy nature close to home.

63rd Annual Constitution Day Sunday, June 3

This is a terrific family get-together for Danes and anyone interested in Danish culture. Every year we build on traditions from previous years and try to add new events to reflect modern Denmark and Canada.

Sankt Hans Aften, Sat. June 23

Another fabulous event to welcome summer with fireworks, the traditional burning of the witch and bonfire in the back field at dusk.

Summer on the patio

The Danish Place Restaurant is getting rave reviews for their new Scandinavian look. If you haven't been yet, check them out. Summer is the perfect time for a beverage and Danish snack in the sunshine.

Get involved

We are always looking for helping hands to help with events, gardening help, or new ideas to grow the club. If you have skills to contribute or a teen who needs volunteer hours, please get in touch.

President's Report

Dear Members

I am proud to serve this community as President.

Thank you to those that attended the AGM! It's important. Thank you to Arlene for running the meeting, and for serving as President last year. I also want to thank last year's Board. It's all volunteer work, and we really appreciate the time you gave.

A little about me: I was raised in Kitchener by immigrant Danes and have been coming to Sunset Villa since I was born. At 19, I lived in Denmark for a year, and have visited every 3-4 years my entire life. Like all of you, I am deeply passionate about my Danish heritage.

As an adult I have been coming to Sunset Villa primarily for the restaurant. My board involvement this past year was ignited by a desire to find a new restaurant operator. That problem is solved now, but we have other problems, and I want to work on them together. As a Board, we need to work on strategies to make things better. We also need policies, procedures and transparency to reduce mistakes. Financially we need more money to fix things (everything is very old) and to hire the services that we can

no longer get for free – either now or in the next 5 years.

We have to make sure Sunset Villa is sustainable. Many people are worried that it isn't. Yet we all agree that we want it to survive!

Our property is incredible, and rich with history. Let's make a plan and correct things while we are still cash flow positive. I hope to report on our progress. It is not going to be easy. But we have a good Board in place and I am confident we can get some important things done!

Volunteering: We have a critically low level of volunteers. We need more help all year, but especially on, before, and during Constitution Day. We have tasks for all skill levels and all interests. Please contact me to sign up!

Many of you know me now, but to those that don't, I look forward to meeting you in the restaurant, at a board meeting, or at one of our events!

Past-President's Report

Hello Fellow Members,

A year has gone by at Sunset Villa since I took the position of President for one year. It has been very busy and sometimes felt like a full-time job.

When you are reading this report, I will be the Past-President and will remain active with the Club. There are many things to do around Sunset Villa that can not be done by just the 9 Directors, so I suggest that you join me in helping wherever and whenever you can.

Last summer started with contact from the Ministry of Environment (MOE), who did a full inspection of our 5 septic systems and drinking water sources. Their report indicated that our record keeping was not as per their Code. There was a 3 year period of unsatisfactory documentation. It is a very intense procedure and we are working to fulfill all their requirements. We do not know at this time how the MOE will finalize their decision. We are presently satisfied that the septic and water systems are in good condition, working well and we have monitoring contracts in place in accordance with the regulations.

Another concern is the Dome Roof. We have done some repairs that will keep us for another couple of years but the real decision we need to address is a new roof structure that could cost more than \$60,000. There are many new building Code requirements and we would want washrooms added to

the structure. At this time the money is not there to proceed but we are hoping we will be able to raise the money to consider this change for the better. With a permanent structure, the building could be used year round including renting out.

I am proud that on my term we finally understood the problem with the complaints of the hydro charges to the campers. It was evaluated, correction was made and credit was provided to each camper for the past 2 years. We treasure our Campers here at Sunset Villa and all they do for the Club and extend our apology along with the credit for over-charging for the past years.

At the AGM we presented a new By-law #6. As this report is written before the AGM, I can not indicate the result. The details will be reported on the website.

I have been enlightened by this past year and understand that at no time can you please everyone but my motive is to represent what the members want and I have attempted to do what I feel is best for the future of Sunset Villa. Other Directors will highlight the activity they have been involved in over the year and the coming year ahead.

Best Regards, Arlene Lange
Your President for 2017-2018

New By-law approved

At the recent Annual General Meeting on May 6, the Members present voted to adopt By-law 6, a new by-law related to electing key Executive positions on the Board.

The intent of the by-law is for Members to directly elect Sunset Villa's President, Vice-President and Treasurer. This process gives greater control to the Members when selecting these important positions.

With the previous process, Members elected the nine Directors. The Directors then chose the President, and all other positions from the elected Directors.

The draft by-law was sent to all Members at the end of March.

There was lively discussion about the by-law intent and wording. As a result, the draft by-law was amended.

The amended by-law was voted on and passed with unanimous consent. By-law #6 came into force immediately.

As a result, for the 2018 /2019 Board, Members present elected the President (Lisa Olsen), Vice President (Monica Jensen) and Treasurer (Bitten Lasante). Congratulations!

Thank you to all who participated in the discussion and voting.

The By-law #6 document will be added to the website shortly in the Members section.

Benefits of the New Nordic Diet

A recent World Health Organization report recommends the benefits of eating a New Nordic diet. The diet comprises foods traditionally sourced in Denmark, Finland, Iceland, Norway and Sweden.

Staple components of the New Nordic diet include berries and fruits, fatty fish (herring, mackerel and salmon), lean fish, legumes, vegetables (cabbage and root

vegetables) and whole grain cereals (barley, oats and rye).

That provides the basis for healthier eating patterns after decades in which meat-heavy and low vegetable diets, which were also high in salt and saturated fat, dominated Scandinavian dinner tables.

Board of Directors

Next Board Meetings:

The new Board has its first meeting Friday, May 11 at 7p.m.

They will finalize meeting dates then. Check the website for dates & the new Board of Directors members.

Copies of recent Meeting Minutes can be downloaded from the **Members Only** section of our website. You will need your Membership password to access the documents.

The Board of Directors meets once a month to make decisions and plans for the Club's current and future operations.

Meetings are usually the 3rd Friday of the month, switching to Saturdays in the Winter.

Up-to-date meeting dates and location are posted on the website.

Members are welcome to attend the meetings as observers, space permitting. Member can submit a written request to the Secretary for addition to the Meeting Agenda, at least one week before the meeting. Only Members on the agenda may speak during the meeting in order to conduct orderly meetings.

New look of The Danish Place Restaurant

The Danish Place Dining Room

The Guard's Room

Restaurant Report

It pleases me greatly that all generations of Danes coming to Sunset Villa love the new look of the restaurant. A year ago our surveys clearly said “don’t change a thing”. So Kristine, Jacob and Joanne took a risk by reinventing the restaurant. And it looks fantastic! It’s what we all wanted, but we didn’t know. Everything has been improved: all surfaces painted, including the ceilings. New scandi-lights everywhere, 100 new chairs and 30 new beautifully hand-crafted wood tables. The artwork has been reconfigured into groupings, including a fun assembly of cuckoo clocks in the library. The Guards room walls are now paneled and the Guards themselves are more artfully presented and honoured. That room now integrates better with the whole restaurant, instead of feeling like an afterthought addition.

In the bar area, the overhead glassware structure has been removed, leaving the space so much brighter and inviting – and people are sitting there now more than ever. And in case you have not noticed, the floors have been beautifully redone back to a natural blond wood tone. I feel like I could be in Denmark when I am there.

These observations do not take away from what Anna and Benny achieved.

What they did worked for years and years. But the next generation (their own kids!) identified the need for a re-fresh and wow, people are really loving it. And the best part is that the menu has barely changed.

It’s time for all of us to show our support. They have created a very modern Scandinavian space, and did so entirely at their own expense. Last year we were despondent at the thought that we might not have a Danish restaurant at Sunset Villa, (and that Sunset might die without one!). Now we have one, and we must put our money where our mouths are (literally).

Sunset Villa, as a Danish destination, now has the possibility of a future for the next generations. Bring your children, and grandchildren. Host a family party or family reunion. Show off your Danish heritage to co-workers and friends. Come and see one of the bands they have booked. Tip them as well, they need money too! Or just drop in for a beer at the bar.

Make The Danish Place your “go to” hangout, like I and others have done. I have met so many great Danes by hanging out there. It’s a wonderful thing that we will again risk losing if we don’t support it.

Membership Report

Hello Fellow Members,
We started the first four months of the year with many new members. See below.

This is my busiest time of the year because you are all eagerly renewing your membership before the year end on March 31, and that is great.

As of the printing of this report, and just before the AGM, we have a total of 312 members; this includes the 13 new members to date.

If you have not renewed your membership, please give it some thought and do it now! The membership application form is in the Bulletin, on the website or pick one up at the restaurant. Payment can be made by cheque, money order or e-transfer. If

you are at the restaurant, you can pay by cash and leave the application form and cash in the Sunset Villa mail box, just outside the gift shop.

If you have changed YOUR ADDRESS, PHONE # or EMAIL, please let the Membership Director know so you don't miss any issues of the Bulletin.

By the time you read this Bulletin, it will be after the AGM. I will be turning over the membership work to a Director on the 2018 Board. I have enjoyed getting to know so many of you and I attribute this to this position. Please help the new Director by making sure your details on the application form are clear.

Arlene Lange, Membership Director

Your membership not only helps the finances of the Club but also gives you a chance to be a part of the workings of Sunset Villa.

Also, you are kept informed of activities and events at Sunset Villa in the **Bulletin** and the **Members Only** section of our Website.

New Members

We are pleased to welcome these new members and hope to see you at the Club.

Book Review

The Year of Living Danishly; Author Helen Russell.

Motivated by a quest to understand why Danes are so damn happy (happiest country for 3 years in a row), a British couple embarks on a year of living in Denmark. With humour, they navigate the traditions, social systems, rules and way of life.

Along the way they get scolded by neighbours for improper recycling and flag use (of course!). They also learn the 10 rules of Jante's law, that Danes work 34 hours a week, a car will cost them 180% in tax, and if they want instant hygge they will need to buy the very popular Kubus candleholder for their home (among other Danish design pieces!)

One very relevant observation in the book is that Danes love clubs, belonging to an average of 2.5 each. In fact there are 80,000 Associations in Denmark - in a country of 5.7 million! There is a saying: when 2 Danes meet, they

form an Association!

By comparison, can you think of 3 Associations in Ontario without Googling? I'll give you Sunset Villa for your first answer, ha ha. Remarkably, nearly everyone this couple encounters in Denmark rates their happiness very high, and with research along the way, it becomes clear why. It's a good read, and I recommend it to those that enjoy comparing life in Canada to Denmark!

The Viking Project

As long as this Viking can remember, the pond has overflown and floods the stage area every year. With my vision and my small fundraising campaign, I raised almost enough to fix the pond retaining wall, which was in dire need of repairs. I'm almost at the final stages of the project.

Thanks yous:

- to the 16 people who bought a wall stone to cap the wall.
- to the Vikings who bought countless bags of mortar & concrete needed to strengthen the wall.
- to our neighbours John & Rosa Luciano, for all the machine work and many loads of fill to level out the area.
- to CBM Aberfoyle for 2 dump trucks of gravel.
- to Ted and Cindy of Tvan Excavating for doing all the trucking and a load of soil towards the project, 12 trips at least.
- to Rick Rowan, Chris Rowan, Bjarne Hansen and Steve Jacobsen
- to the family of the late Inger Hansen Kusk(my family) for the donation of the pergola.
- to Steve and Monica Jensen for the big bag of seed for the new grass.
- Special thank you to my love Erika Barker and our dog Bailie for letting me spend all the time on this project.

Thank you all very much and hope to see you around the pond, Lee Hansen
