CREATING SUSTAINABLE NEIGHBORHOOD DEVELOPERS PROGRAM: VIRTUAL

CURRICULUM OVERVIEW

This program delivers a practical introduction to neighborhood development. Nine subject matters will walk you through how to begin your journey to property development in your neighborhood. Through a combination of lectures and hands-on software training, eighteen subject-matter practitioners will demonstrate their specialties on: (1) The State of Real Estate Development and Acquisition, (2) Capacity Building and Funding Sources, (3) Housing Policy and Strategic Housing Advocacy, (4) QuickBooks, (5) License, Certifications, and Insurance, (6) Understanding Construction Drawings, (7) Construction Beyond the Housing Development Award in a Present COVID World, (8) Xactimate, and (9) Project management. The Center also administers its program exam to certify the participants' understanding of these nine topics.
