March 16, 2020

Dear Families,

Thank you for your cooperation during this time. We want to ensure that we are addressing all your questions and concerns.

School Closings

DOE and DOHMH recommends that childcare centers remain closed until April 20th and we will be following those guidelines. That applies to all programs including preschool, UPK, Kindergarten and Afterschool.

Tuition

We understand that tuition is a concern. We are constructing a plan as to how we will move forward with childcare tuition and account credits when we resume operations in late April. Once the plan is solidified, we will provide additional information to you.

Activities

The learning must continue. By the end of day (today) March 16th, you will be provided with a daily schedule and optional activities for your child to complete during this time. The activities will be posted on the website at www.bryanseducationalcenter.com. A text message alert will be sent out once the activity schedule is posted.

Meals and other resources

All families can visit their nearest NYC DOE school to pick up grab-and-go breakfast starting at 7:30 AM and lunch starting at 11:30AM. Families can find their nearest school by visiting <https://www.nycenet.edu/schoolsearch> or calling 311. Please share this information with your families.

We thank you for understanding and please be safe!

Sincerely,
Bryan's Educational Center Administration
