A discussion took place concerning this expenditure and who received the benefits. The Commander indicated that he was not at meeting the funds were allocated. It was pointed out that the Post were sending 4 delegates and allocated \$300 to be shared by those attending. As it turned out only 3 members from the Post attended. The Commander said he would take up the matter with the 2 other members that attended and work out an agreeable settlement.

Old Business - Island Condo Management Corporation Letter. Freddie Salvatore called their office to explain that the weeds between the road and fence is not our responsibility. They should contact The Parks Department to remove the weeds. Their office accepted our explanation.

Correspondence - No action required on Correspondence.
 Regarding Correspondence, Charles Fortune read his
 a letter which was published in the Daily
 News and Staten Island Advance. Charles main
 point was that we should do away with
 the Veterans Administration Hospital but provide
 free hospitalization and doctor services for
 all veterans. He believes this will provide
 better health care for the Veterans and less
 cost to the Government.

Near Business - ^{Commander} Martin Rosenberg reported that
 the last County Meeting the Post was awarded
 a Certificate for its involvement in Richmond
 County programs.

Post Installation of its officers will be
 held on the Post meeting of Sept 27, 1991.

Post Post Commander Frank Falutico is the
 Chairman.

Vinny Tonzari brought up three ~~other~~ topics
 under one motion. It was decided to review
 each topic separately.

Item 1 - ~~that those~~ People who
 drive to New Jersey should be reimbursed
 for bridge fare and other expenses.

This was resolved since Post members
 are being reimbursed for the car expenses

to buy beer in New Jersey.

Item 2 - Mike Shane desires Vining to visit sick members at home and in hospitals and should be reimbursed for car expenses.

It was pointed out this motion was not necessary since any member who incurs expenses on behalf of the Post is entitled to be reimbursed.

Item 3 - Motion made ^{by Vining Zangari} to stop the voluntary payment of a dollar at Post meeting used ~~for~~ to help defray the cost of refreshments.
 Jim Thomas ^{seconded} the Motion ~~passed~~ - After a lengthy discussion motion was defeated.

Kudie Salvatore pointed out that the mailing list have been in bad shape over the last year and suggest we involve the man who handles it for the county. Jim Thomas said that a list could be prepared and easily kept up to date utilizing a P.C. He said he has a P.C. and would volunteer to ~~put~~ maintain the mailing list and print out the labels.

Since we now have an up-to-date mailing address now is the time to enter

the names in the Computer. Freddie Sabalau and Charlie Fontana will assist Jim in setting up the mailing list. Then all we will need is a Newspaper to be mailed.

Good of Legion = Teddy Ventura requested that the members put their used coffee cups, plates, beer cans into the trash basket. Do not leave them behind for someone else to clean up.

Meeting closed with a moment of silence for departed member Edward Carey.

Meeting adjourned at 9:25 PM.
