TigerGram

We know this is very last-minute, but we recently learned of an MHS classroom in need.

The Middleton High School ESE (Exceptional Student Education) department is asking for our support of our TMH (Trainable Mentally Handicapped) students this holiday season. To help facilitate this, we have created an online [Angel Tree](#) for the students.

Students range in age from 14 to 20 years old. [Please click on the link here to view students' wish list items.](#)

If you are able to donate any of the following items please drop off the unwrapped and bagged item(s) at the **MHS front office attention Ms. Mary Adams, Room 307**. We are asking for items to be delivered **on or before Friday, December 18th**, so the children have them before leaving on Winter Break.

In addition to the student Angel Tree, we have a [classroom supply wish list](#). Items on this list are part of an ongoing need for items that are additional to supplies provided in the school budget. Many times the teachers have to purchase items like these out of

their own pocket so the students do not go without. If you are able to donate any of these items for the classroom, please label them **ESE Classroom 307** and drop off at the **MHS front office anytime**

between now and January 15th, 2016.

As you are out shopping for holiday gifts this week, please keep this MHS class in mind and pick up an item or two from their wish list. Your continued support is gratefully appreciated!
