

Shalom Kol CTB,

We ask that you join our fellow Jews tomorrow, erev Rosh Chodesh Nissan, as we entreat HaShem for His help during this plague that is covering the face of the earth. This beginning of the month Nissan is referred to Yom Kippur Katan! (Mini Yom Kippur) It is the beginning of months to us; as such, it is a time of introspection as we prepare for the upcoming High Holy days.

מנחלתך מגיפה מנע מלכנו אבינו

In response to the global pandemic of COVID-19
we, G-d fearing and believing Jews, turn our hearts and prayers
to our Father in Heaven with pleas for a speedy end to this plague;
for complete recovery for all those who are ill;
for support and encouragement for all those who are suffering and lonely;
for comfort to those who are mourning;
and for inspiration and wisdom for our researchers to find a cure.

תפילתנו את וברצון ברחמים קבל לכנו אבינו
