December 2019

Ms. Oval: Lead Teacher
Ms. Calderon: Teacher Assistant

What's Been Happening?

November has brought the clouds and rain, but it isn't dampening our spirits in PS109! Instead, we have had plenty of sensory exploration, getting our hands into mediums such as moon sand, playdoh, slime and shredded paper.

The class has really been enjoying our "Super Pigs" books, as well as, our stories that we share on the felt board. **If you or your child would like to bring a favorite book to share, we would love it!**

Warmly,
Ms. Oval

I made myself a snowball,
As perfect as could be,
I thought I'd keep it as a pet,
And let it sleep with me.
I made it some pajamas,
And a pillow for its head,
Then last night it ran away.
But first-- it wet the bed.
