

Smithtown SEPTA

Seeing the Ability in Every Child

**Please Join Us
December 12, 2016 at 7:00 PM**

Meeting to be held at NYA Administration building at:
26 New York Ave
Smithtown, NY 11787
Room 222A

We are very excited to offer you two presentations

[Annual Review Process](#)

Dr. Brenda Clark, Administrator for Special Education / Special Services, will be explaining the annual review process and answering any questions you may have in regards to this process.

[Understanding Neuropsychological Evaluations and Testing Results](#)

Philip Eisenberg, Ph. D., ABPP Board Certified Clinical Neuropsychologist, will answer the following questions:

- What is a neuropsychological evaluation and who would benefit?
- What information does a neuropsychological evaluation tell us?
- Explaining test scores - the bell curve and what all those numbers mean?
