Registration of a prefix by The Australasian Gypsy Horse Society Inc. protects it from being used by others when registering horses with the AGHS. It does not protect the name beyond the Australasian Gypsy Horse Society Inc. use.

An AGHS member may register a prefix for a one-time fee of \$20.00.
Such prefixes are to be restricted to and required of **every foal recorded to that breeder.**
Breeders may have only one active prefix, only the owner of the prefix can use it.
Breeders must be AGHS members to register a prefix and use it to register horses with the AGHS.
The breeder is considered to be the person who owns the dam at the birth of the foal.
Animals sold in-utero must use the prefix of the owner of the dam unless imported in-utero.
Only animals bred by the owner of the prefix may bear the prefix name/s.
The owner of a prefix may extend the use of the prefix to members of his/her immediate family or by special permission.
In instances of herd or dispersal sales where all or a large part of a herd is sold to one purchaser, the herd prefix may be transferred to the new owner(s) upon written permission of the breeder and approval of the Committee.
Owner's right to prefix shall be lost by 20 consecutive years of non-use
