Drama for grades K-2 meets Fridays

Please see Angela Vigil 720-424-6227 angela_vigil@dpsk12.org

Executive Arts LLC, DBA Play On! is a locally owned and operated small business that encourages Denver-area school age children to explore their passion of the arts through individualized enrichment classes and summer camps. These highly collaborative performing arts programs use a hands-on creative approach that allows for a student to find their voice on the stage and beyond. We value the ability to grow along with our students and are delighted to continue to provide life-long learning opportunities in the community we have called home for more than 30 years.

Play On! was selected as a partner of the Denver Afterschool Alliance's Demonstration Project at Kaiser Elementary beginning in 2014. Participation in this exciting project includes regular trainings, monitoring and data collection of quality programming. Play On! is using the national models of YPQI and SAYO not only in conjunction with the work done at Kaiser, but is implementing these strategies and tools organization-wide for all of its staff and programs.

Play On! is very thankful to have been recognized as a program of quality by Denver Public Schools and strives to keep moving forward to impact its students. The curriculum is designed to build skills in an age appropriate and fun manner. We believe that theatre, film, music, and dance can be created anywhere with the resources available. Students can begin while in pre-school and participate through eighth grade. There are numerous benefits a student receives when they participate in Play On! classes including confidence building skills, critical thinking, perseverance, positive body image and self-discipline.
