Brandy is President and Founder of the International Builders & Consultants, Inc. (IBC, Inc.) She has been actively involved in the Kansas City area promoting diverse workforces, sitting on committees and boards such as The Commercial Builder's Association, National Institute for Construction Excellence (NICE), NAWBO, and many others to make sure women have a voice at the table. Brandy also believes in the power of mentoring and is not only a mentor for other women construction owners, but she is also a mentee herself in the Helzberg Entrepreneur Mentoring Program (HEMP KC).

Brandy used her love of construction to make "KC Pretty Again" by building her TEAM in Kansas City. IBC's core value is truly a TEAM environment using Together Everyone Achieves More (TEAM) as their motto. TEAM IBC is building and moving KC with two construction companies specializing in interior trim carpentry and traffic control services. Building that TEAM is very important to make sure everyone in her companies know they matter.
