

Charisma

SCHOOL OF DANCE

October 2014

Welcome!

Welcome to our returning families and all of our new families as well. By now, all students are in their proper classes, with a few exceptions, and we are underway for a wonderful new season!

Some things to remember!

253.581.8711 is the number to call in case of snow. It will be posted on the answering machine if we are closed.

Dress code is now in effect! Girls, if you must wear bras, please be sure they are black. No panties under your leotards. Boys of a certain age, you know what you need to wear! Girls, once a month only, may wear shorts over your leotards, if necessary. Buns should have no whispies; bangs should be pulled back and not dangling in your face. No jewelry, and no gum, please!

Injuries can occur when little ones run across the dance floor when class is going on and it distracts the dancers. Please keep your little ones safe in the play area.

Walking to and from the restroom from the viewing area also distracts our dancers. Please be certain to wait until the music stops before walking to and fro.

Avoid late fees by paying tuition on time. Tuition is due on the 1st of each month and considered late after the 10th, in which case a \$25 late fee will be applied to each unpaid student account.

Please keep the viewing area as quiet as possible so our dancers and teachers can remain focused on their lessons.

Parents, please be sure your dancer is safely in the building before driving away, and please arrive in time to pick them up as soon as class is over.

Halloween!

We are excited to celebrate Halloween this year at Charisma! Costumes may be worn during the last week of October, just make sure they don't interfere with dancing or are too scary for our little ones! You are also welcome to bring goodies for your student's class.

Stay informed!

Parents, stay up-to-date with all the latest information at our new website, **charismaschoolofdance.com** and on our Facebook page. Remember to check out all the latest postings at the studio as well!

Charisma apparel for sale!

Jackets, hoodies and shirts are available at the studio. They make great Christmas gifts!

Speaking of Christmas....

Charisma's Holiday Extravaganza is coming up! Saturday, December 20th at 2:00pm, Mt. Tahoma High School Performing Arts Center. Stay tuned for ticket availability.
