DESCRIPTION: Highly valued and great looking Fury. Primarily Bubinga with contrasting hardwood strips. No delamination; no cracks; limbs are straight. Overlay tips are in great condition. Two small professionally filled sight holes on the limb. Factory installed stabilizer bushings. No chips, dings or cracks. No stress lines or crazing. There does appear to be 3" strip of cracked varnish along one of the laminates—does not appear to be separation (see pic on last page). A few scratches and scuffs on the riser and limbs. This is a really nice bow in excellent condition for its
