Second Sunday of Lent

Song: [Amazing Grace](#) Pentatonix

Opening Prayer: Holy God, breathe your Spirit of life into us. We are creatures of earth, and we are your children, created in your image. We are frightened sometimes in this world full of risk and confusion. Sometimes things happen too fast, or too slow, and we find it hard to make good decisions. We need your help.

God, as you created life at the beginning of time, create and shape us anew. We want to be clay once more, shaped by your hand, touching earth, contemplating heaven, loving, working, and partnering on this good earth. We want to be part of the circle of love you began in Jesus reaching to embrace the whole world – a circle where the sick are healed, the dying are comforted, the oppressed achieve new dignity, and all live in peace. Through your Spirit, let it be! (Ruth Duck)

The Lord's Prayer

Our Father, who art in heaven, hallowed be thy name.
Thy kingdom come, thy will be done on earth, as it is in heaven.
Give us this day our daily bread, and forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation, but deliver us from evil,
for thine is the kingdom, and the power, and the glory forever. Amen.
