

WSRA 2018 President's Report

By Rob Phillips, President of the WSRA

The Waskesiu Seasonal Residents Association is pleased to publish our annual newsletter, which is intended to inform our membership about items that will take place in our community over the coming season.

Community Elections

This year brings elections for positions on the Waskesiu Community Council to our community. Please consider serving or encouraging others to serve the community in this leadership role. We have had great leadership in the past and are looking forward to continuing good stewardship as we go forward over the next three-year term. This newsletter includes information identifying the process to get involved and nominations.

High Speed Internet Access – SaskTel DSL

2018 will bring a significant technology change to the Waskesiu townsite as we see the extension of SaskTel's High Speed DSL service into our community. For many years the townsite has had both private wireless, satellite, and cellular LTE service within both the townsite and its serviceable perimeter. The implementation of this service will give the community reliable internet service for the foreseeable future. Please email WaskesiuSRA@gmail.com if you have not already filled out a SaskTel interest form and one will be emailed to you. We hope to see the service commissioned for service late May/early June of this year. The High Speed DSL service from SaskTel will

bring reliable wired internet access to our town site and give us options for expansion in the future.

Cottage Regulations

Parks Canada is currently reviewing Cottage Regulations (Canada wide). Our community has had one meeting thus far with the senior person tasked with this process. Between now and the end of the year it is our desire to have continued discussion and input into both federal regulation development and Waskesiu specific guidelines for the construction of cottages. We also need to understand and communicate the entire mandate of this taskforce to our community to understand future possible impacts.

Parking within the Town Site Residential Areas

We will engage with Parks Canada staff to discuss parking within the town sites residential areas. Parking is a challenge at times within Parcel X, specifically in 30 foot and 40 foot lot areas. It was the initial intent of site development in this area to allow parking for two vehicles adjacent to each cabin - either two cars or a car and a boat. Since these discussions and planning took place over 20 years ago, there has been a significant change in the size of boats and also the introduction of pontoon boats into the market place. Significant upgrades have occurred to the marina area recently, but some residents have indicated concern over pricing for storage of boats there. Alternate boat storage options will be discussed with Parks Canada as part of this process.

SaskTel Internet - Coming Soon! Work is underway to bring Internet to our community. SaskTel will send a letter to residents who submitted a *Community Participation Service Request Application* when Internet becomes available. Customers will be able to choose from interNET Extended 5 (up to 5 Mbps download speed) or interNET Extended 10 (up to 10 Mbps download speed). For more information on SaskTel Internet service, visit sasktel.com/internet

Parks Canada

By David Britton, Superintendent and Gregg Rutten, Townsite Manager, PANP

On August 10, 2018, Prince Albert National Park turns 90. It is a milestone worth mentioning and a good time to reflect on how and why the park was created, how conservation programs to protect the park's aquatic and grasslands ecosystems have evolved, and in the spirit of reconciliation, how we envision the park moving forward so that everyone feels welcome, included, and represented.

A uniquely Waskesiu welcome to the Visitor Centre

Beginning this year, the federal government is providing free entry for all youth 17 years of age and younger to all national parks and national historic sites. This is an important step to ensure that young Canadians have access to our most treasured places and to further reduce barriers so that young families can more easily visit.

This year, Parks Canada will begin construction of the large and small beach houses on the Waskesiu waterfront; continue its work with local Métis and First Nations to develop exhibits / artistic content that will appear throughout Waskesiu in an effort to more fully represent the history of Prince Albert National Park; and continue to work closely with Waskesiu partners on achieving goals set out in *Vision 2020 and Beyond* such as with the imminent introduction of high-speed Internet, improving staff accommodations, and improving recreational opportunities.

After a classic and cold winter that is taking its time giving way to Spring, we're looking forward to the

return of the seasonal community and the usual selection of special events, including Canada Day, Learn to Camp, the Children's Festival and the Lakeside Music Festival.

Townsite Items

Parks utility crews ask that cabin/cottage owners **do not discharge sump pumps into the sanitary sewer system**. Problems occur in the fall/winter when the sumps discharge water into the shallow sewer lines that eventually freeze, causing blocked lines that are difficult to thaw, and slow down efforts to open the water and sewer system in the spring.

Waskesiu Lakeside Music Festival

Mark your calendars. *The 4th Annual Waskesiu Lakeside Music Festival* is scheduled for the weekend of August 25, 2018. Last year was an amazing time and saw the largest number of visitors to the festival yet! Watch for band announcements and updates over the coming months.

Young park enthusiasts enjoying the 2017 Canada Day Parade

Winter Security Gates

In the winter months, security chains are placed across entrances to cabin and cottage subdivisions in an effort to deter crime. Contractors working on cabins and cottages in the subdivisions over the winter obtain keys from Parks Canada for access. Owners are asked to remind their contractors of the need to keep these gates locked, as Parks Canada staff has observed the gates being left unlocked.

Waskesiu Community Council - Greetings from the Chair

By Jim Kerby, Q.C., Chair of the Waskesiu Community Council

Greetings from the Waskesiu Community Council to all members of the Waskesiu Seasonal Residents Association (the "WSRA"). Thanks for allowing us to be part of your annual newsletter again this year.

The Waskesiu Community Council has been formally recognized by Parks Canada Agency as the "voice of the Waskesiu community" pursuant to a Memorandum of Understanding signed in 2002. Your Council is comprised of Jim Kerby (Chair), Nancy Wood Archer (Vice-Chair), Brent Hamel (Secretary-Treasurer), Bryan Matheson, Randy Kershaw, Janice MacKinnon, and Jennifer Wood. We are ably assisted by our talented Administrator, Noreen Matthews.

2018 Election – Waskesiu Community Council

Nominations are now being accepted for councillors willing to serve on the Waskesiu Community Council for a term of three (3) years. Election Day is Saturday, July 28, 2018. Note, however, that completed nomination forms must be received (if mailed) by **Friday, June 29, 2018**, addressed to: Returning Officer, c/o Waskesiu Community Council, Box 203, Waskesiu Lake, SK, S0J 2Y0 or, if delivered in person, by **4:00 p.m. on Friday, June 29, 2018** at the Park Administration Office (Visitor Centre) in Waskesiu. More information can be obtained on-line at www.waskesiu.org.

Please consider being a candidate and/or encouraging other qualified individuals to run for Council. Your community needs you!

Continuing to Implement Waskesiu's "Community Action Plan"

The Waskesiu Community Council was very proud to initially spearhead - and we continue to strongly support and advance - the "**Waskesiu 2020 & Beyond**" initiative. We are pleased to be working in conjunction with the WSRA, Parks Canada Agency, the Waskesiu Foundation, the Waskesiu Chamber of Commerce, the Waskesiu Recreation Association, the Waskesiu Heritage Museum, Friends of the Park, and other stakeholder groups. The goal is to continually

improve Waskesiu, as we continue to update, and complete, our community driven "Community Action Plan".

We strongly urge you to learn more about this very important initiative and, above all, to be part of making Waskesiu an even better place for you, your family, and for the generations that follow. Please visit www.waskesiu.org and look for "Vision 2020 and Beyond" to get all the details.

Waskesiu Recreation Renewal Project

The [Waskesiu Recreation Association](http://www.waskesiu.org) (the "WRA") is a volunteer, non-profit organization responsible for Waskesiu's recreation facilities and activities. The WRA also leads, or assists with, many of the major social events that help make Waskesiu a popular destination for so many.

The WRA's major initiative, which the Waskesiu Community Council enthusiastically supports, is the "**Waskesiu Recreation Area Renewal Project**". In 2017, we saw a long term "**Master Plan**" for the entire recreation area completed with the professional assistance of Stantec.

Over time, the Master Plan calls for improved landscaping and a number of new recreation facilities, including an outdoor fitness park (see below for an exciting update), a new sport court, and other amenities. For more information just hit the following link to have a look at the [Master Plan](#).

What's really exciting for 2018, however, is the planned opening of a brand new 18 hole mini-golf course this summer – hopefully by Canada Day if the weather this spring will cooperate. The new course will be fantastic for "kids" of all ages, and will reflect the unique character of Waskesiu and Prince Albert National Park.

"Howe Fortunate" - Celebrating the Life and Legacy of "Mr. Hockey"

2018 is another special year for Prince Albert National Park, marking the 90th anniversary of the official opening of the Park by Prime Minister Mackenzie King on August 10th, 1928.

This year also marks the 90th anniversary of the birth of hockey legend Gordie Howe, a Saskatchewan native

who absolutely adored Waskesiu - often describing it as his "favourite place on earth".

The Waskesiu Foundation is hosting a presentation, Q&A, and book signing at the Hawood Inn on Saturday, August 4th featuring Dr. Murray Howe - Gordie's youngest son and the best-selling author of the book *Nine Lessons I Learned from my Father*. Tickets are available online at: www.waskesiufoundation.ca - but space is limited so please act fast and help support the great work of the Waskesiu Foundation.

The Gordie Howe Memorial Fitness Park

To honour Gordie Howe's legacy, and his deep ties to Waskesiu, the Waskesiu Foundation has announced that it will be constructing an outdoor fitness park this summer. The new facility will be located near the tennis courts and will be called the "Gordie Howe Memorial Fitness Park". Watch for information about the "official dedication" ceremony to be held on Sunday, August 5th with members of the Howe family in attendance, including Dr. Murray Howe, to help us celebrate a Saskatchewan – and Canadian - legend!

Sasktel High Speed DSL Initiative

The "need for speed" will finally be met this summer in Waskesiu - SaskTel DSL high speed internet is coming!

The Community Council, Parks Canada and SaskTel signed a Memorandum of Agreement (MOA) in mid-December 2017 where SaskTel agreed to have the DSL High Speed Internet service up and running for the summer of 2018.

Once the service is available for sign-up, SaskTel will make a more formal announcement via press release and will contact those residents, seasonal residents and businesses who have already expressed interest in subscribing. There is no need for you to contact SaskTel before then.

Thanks go to the Waskesiu Seasonal Residents Association (with special thanks to Rob Phillips), the Waskesiu Chamber of Commerce (with special thanks to Gord Bueckert) and Parks Canada (with special thanks to David Britton) for their hard work, and for the financial contributions of those organizations and the Waskesiu Community Council.

This accomplishment is just one more example of what a truly great community Waskesiu really is!

2018 Community Council Annual General Meeting – Mark Your Calendars

You are cordially invited to join us for the Waskesiu Community Council's 2018 Annual General Meeting (AGM).

This year's AGM is on Sunday, July 29, 2018, at Terrace Gardens in Waskesiu. Watch www.waskesiu.org for the starting time of the meeting – and we look forward to seeing you there.

Waskesiu.org – Waskesiu's #1 Website

Our waskesiu.org website continues to be the most widely used online site by those seeking information about Waskesiu and Prince Albert National Park. Please visit the site regularly to find out what is happening in your community.

The website is mobile friendly – making it easy for you to take a bit of Waskesiu with you wherever you go.

The Last Word

In closing, the Waskesiu Community Council extends its sincere thanks to the WSRA for all of your great work on behalf of our townsite, and for your past and ongoing support.

Have a great summer enjoying beautiful Prince Albert National Park - "Saskatchewan's playground".

Waskesiu Foundation Spring 2018

By Raylene Kershaw

Spring is finally here – we’ve seen the sun shining brightly, the snow melting, and shades of green (well, brown) grass peeking through. At the Waskesiu Foundation, we’re positively giddy for spring. This lake season is shaping up to be the best one yet as we have a lot coming down the pipe for seasonal residents and visitors too.

Fore! Course Count Down

Probably the most anticipated project on the horizon is the new nature themed mini-golf course opening this summer. Our project partners at the Waskesiu Recreation Association (WRA) are working day and night to dot the i’s and cross the “tees” to have everything in place. Each of the 18 holes plus the whole course has been supported by amazing individuals, businesses and groups – and we can’t thank them enough for their donated dollars. We’re so grateful for the wonderful people like you in our community who roll up their sleeves and pitch in – whether as a donor, volunteer or community builder. Watch for progress updates coming soon and keep an eye on the construction site as it develops! The course is set to open this summer.

Need for Speed

Yep, you heard right. High speed internet is coming to Waskesiu! SaskTel plans to have it in place before July 1. We can hardly wait! SaskTel will be in touch if you showed an interest in subscribing through the WSRA survey. Buckle up and bring on the high speed!

Sipping Social

Out with the old and in with the new. We have a brand-new gathering planned just for you. We’ve heard through the grapevine that the reception and visiting are the best parts of Foundation events. Hosts Barb Jones (a fantastically creative new board member) and Gord Thompson (self-appointed taste tester) have transformed the whole night into a Sipping Social. Join us July 14 at the Community Hall for local fare and food stations, craft beer tasting, a Caesar bar and much more. Catch up with friends and neighbours in a relaxed atmosphere and win cash hidden inside select

packages. You could go home with more than you bargained for.

Howe Fortunate

“Waskesiu – my Dad’s favourite place on earth.” Best-selling author Murray Howe is making the trek north to discuss life lessons learned from his legendary father Gordie Howe - “Mr. Hockey” - and Gordie’s passion for Waskesiu. We’re so excited to bring this special event to you on August 4 which includes an author’s presentation, Q & A, book signing and refreshments. Can’t make it August 4? Join us the next day at the Waskesiu Heritage Museum grounds for a book sale and free book signing. Purchase your special copy of *Nine Lessons I Learned from My Father* and have it autographed by Murray Howe. You can also purchase your book in advance at waskesiufoundation.ca. Proceeds support the Waskesiu Foundation and our community!

New “Gordie Howe Memorial Fitness”

Knowing what a special place Waskesiu was to Gordie Howe, what better location is there to leave a lasting, sports-related tribute to Mr. Hockey? As part of the Waskesiu Recreation Renewal project, a new outdoor fitness park will be built on the rec grounds (where the tennis courts are). The Gordie Howe Memorial Fitness Park will be dedicated on the August long weekend and plans are to have the equipment installed and ready to go by then for all fitness fans. The new park is for everyone where you work at your own fitness level in the great outdoors. We promise - it’ll smell better than any indoor gym.

Crean Camp Kitchen

Discussions have begun with Parks Canada about constructing a multi-season camp kitchen on the former warden’s cabin site at the entrance to Crean Lake. The new day-use area in this location will honour the contributions of the Warden Service. We’ll be in touch as we know more about this project!

Treasure Hunt

It’s been awhile since we’ve tackled a kid-friendly event so we’re going all out. This year marks the 90th anniversary of Prince Albert National Park so we thought we’d throw a little birthday bash – pirate style. Bring your kids and grandkids to the Terrace Gardens

August 11 where there'll be activities & fun geared for all ages including sensory play, make & take, swab the deck, snack stations, walk the plank and of course - the ultimate treasure hunt. Arrgh you ready? Join the outdoor and indoor fun for just \$25 per person! Advance tickets available at waskesiufoundation.ca.

Waskesiu is such a generous, giving community filled with people willing to roll up their sleeves and get to work for the greater good. We couldn't ask for a better bunch and are proud to work alongside people like you. Howe fortunate.

For tickets and more info visit waskesiufoundation.ca

Sipping Social

July 14 | Community Hall | 5:30 pm | Tickets \$75

Howe Fortunate

August 4 | Hawood Inn Presentation | 4 pm | Advance tickets \$25 or \$50 with autographed book
 August 5 | Waskesiu Heritage Museum Grounds | 11 am | Book sale & free book signing
 Books \$30 | Available at waskesiufoundation.ca

Ultimate Treasure Hunt

August 11 | Terrace Gardens | Tickets \$25

Waskesiu Chamber of Commerce

By Nancy Archer, President of the Chamber of Commerce

The Waskesiu Chamber of Commerce is the voice of the Waskesiu business community. The Chamber is comprised of members of most of the businesses in the Waskesiu community.

BOARD OF DIRECTORS:

President:	Nancy Archer – <i>The Hawood Inn</i>
Vice - President:	Gord Bueckert - <i>Lost Creek Resort</i>
Treasurer:	Randy Kershaw – <i>Waskesiu Community Council</i>
Directors:	Debby Klarenbach – <i>Elk Ridge Resort</i> Dwayne Andreen – <i>Waskesiu Lake Lodge</i> Darryl Fox – <i>Silver Fox Liquor Store</i> Tyler Baker – <i>Lobstick Golf Course</i>

2017 was an exciting year for the Chamber when we unveiled our new Electronic Message Board (EMB). The EMB is centrally located at the corner of Montreal Drive and Waskesiu Drive and provides information to the residents and visitors. On the EMB you will see advertising by Chamber members, current activities, upcoming activities and important, timely messages for everyone.

For example, critical information during the forest fire crisis we experienced a few years ago could have been communicated to the public and updated instantly as conditions changed.

The Chamber is grateful to their five members who provided funding for the EMB. The five members are: Lost Creek Resort, The Suites at Waskesiu, Waskesiu Lake Lodge, Waskesiu Resorts and The Hawood Inn.

The Chamber's only sources of revenue comes from all hall rental income and Chamber membership fees. With

this income, the Chamber strives to market Waskesiu to attract new visitors who we hope ultimately will support our Chamber members by eating, shopping and staying at their businesses.

Just as important, to help keep our business community vibrant and strong, the support of the cabin and cottage owners is crucial so please financially support our members!

The entire Waskesiu business community is very grateful for everyone's support towards the installation of the SaskTel high speed internet in the townsite.

Welcome home WSRA to the lake. On behalf of myself and the Chamber membership, we look forward to serving our community in 2018.

Hall rental from popular and beloved venues such as the Community Hall help support the Chamber's work

WASKESIU RECREATION ASSOCIATION

By Marissa Glanville, Recreation Coordinator

Greetings and welcome back to another year in your beautiful summer home! We have big changes going on at the Waskesiu Recreation grounds. Come by to take a look for yourself - the construction of the Mini Golf Course is in full swing and other fitness areas are also being revamped!

Memberships and family memberships will once again be available for the 2018 season. Stop by the Recreation Centre office for details.

Tennis & tennis lessons... as always, we have 6 beautiful tennis courts that would love people to come on out and play! Our drop-in tennis is for all skill levels to come together and enjoy the sport of tennis.

Tennis instructors Jacob and Julianne Burlet are back for their third summer! Weekday lessons will take place in **July and August**. You can sign up your children (**ages 4-12**) at the recreation office or by email (contact information below).

Pickleball... again on the rise going into summer 2018. It is a sport good for all ages! Our 2nd annual pickleball tournament will run again this year as it was very successful last year. Come by to learn details.

Lawn bowling... a great post supper activity to do with the whole family, or an activity to come and socialize with your neighbours – you choose!

Bootcamp... this half hour can be as intense or as casual as you make it. If you are looking for a workout buddy or a group to push you, this is a great opportunity to come try it out!! All ages are welcome! Come get your fit on!

Kids Duathlon... takes place **August 11** at 2:00 pm (the Saturday before the Frank Dunn Triathlon). Contact us for more details.

Beach volleyball... will be organized throughout the summer including a tournament **July 2**. Sign up will be at the beach court the morning of July 2 or by contacting the Rec Office. Teams of six. All ages welcome!

Other activities such as **slow pitch, ultimate frisbee, and spikeball** will be organized throughout the summer for the young adults of the community!

Canada Day Parade... if anyone would like to put in a float, we welcome you! Get your neighbours and creative minds together to enter your **street float** or show off your **sweet ride** in Waskesiu's Canada Day Parade. This is your town, so come be a part of the big celebration! Just email us or drop by the Recreation Association to sign the Parade registration form! **Questions?** If you have any inquiries or want to stop by for a visit, you are more than welcome to do so.

I am still open to any ideas or suggestions you have. Please send them my way and we will work together to see what extra recreational activities we can offer.

Hope to see everyone out and active this summer!
Cheers to another beautiful summer!

To refresh your memory, here is a quick summary of all the **activities** the WRA has planned!

Sun	Mon	Tue	Wed	Thur	Fri
	Tabata Boot camp at tennis courts 8am-8:30 am	Kids Tennis Lesson 9am - 10am	Tabata Boot camp at tennis courts 8 am - 8:30 am	Kids Tennis Lesson 9am - 10am	
Adult Pickle ball Drop-in 6pm - 8pm	Kids Tennis Lesson 9am - 10am	Adult Pickle ball Drop-in 10am-12pm	Kids Tennis Lesson 9am - 10am	Family Pickle ball Drop-in 10am-12pm	Kids Basketball Skills & Drills 10 -10:30 am
		Lawn Bowling 6pm - 8pm	Tennis Drop-in 10am-12pm	Lawn Bowling 6pm - 8pm	
			Kids Dodge ball 6pm-7pm		

Introducing.... Little AL's Mini Golf

By Simone Kerby

We're proud as punch to reveal the new nature-themed mini golf course opening this summer! We've been waiting so long to bring this brand-new recreation activity to you and we have so many generous people to thank including our Lead Donor - the incredible Logue family.

Alan Vincent Hadley Logue was a natural athlete and loved activities and sports of every kind, including golf. Alan was well known for his love of people – sharing a laugh and bringing light to all those around him. He could be seen puttering around Waskesiu in his van nicknamed 'Little Al' seeking out new adventure at every corner.

Alan's journey of 22 years took an unexpected turn when he was diagnosed in May 2011 with Leukemia. Alan's courage and optimism never left him as he faced treatment and hospitalization, though his time in this life came to an end on February 10, 2012.

In honour of Alan's incredible spirit, his love of all physical activity, and his passion for people, we're proud to introduce "Little AL's Mini Golf" opening this summer. Many thanks to the Logue family for their generosity and dedication to the Waskesiu community.

Watch waskesiu.org for updates on the course opening date, and be sure to follow us on Facebook@WCC.WRA

Waskesiu Heritage Museum

Ninety years of memories

This year marks the 90th anniversary of the opening of Prince Albert National Park. This milestone fits the role of the Waskesiu Heritage Museum in our community. Watch for our 1928 heritage banners and anniversary themed kayak raffle this summer!

The Museum works hard to preserve the human history of our area, especially the stories of the shack tent, cabin and cottage folks. We are serious about saving and telling these stories but have a lot of fun doing it. The Museum is operated by a volunteer board who raises funds and directs its activities. We have volunteers from 10-year old children to seniors of 90 years. We can match anyone with an appropriate task for an hour, a day, or even once during the summer. Our main fund raiser, the weekly bingo, needs many hands if you'd like to help. Or perhaps you'd rather flip pancakes or burgers. Maybe you are more comfortable with a paint brush, tool, or computer. We'd love your help and can accommodate your schedule and talents. Helping the Museum is a fun way to meet your summer neighbours and make new friends.

Email us at info@waskesiuheritagemuseum.org, call Betty Falk at (306) 221- 5904 or just drop in at the Museum during opening hours. We'd like to meet you and count you as one of the team.

So... Just What Does the WSRA Do?

The Waskesiu Seasonal Residents Association (WSRA) is a not for profit association. We work with Parks Canada, the Waskesiu Community Council and other organizations and officials within Prince Albert National Park (PANP) on matters that concern the cabin and cottage owners that are seasonal residents in the Waskesiu townsite.

Those matters include *the occupancy, use, maintenance, leasing and improvement of cottages and cabins, and the areas in which they are located.*

We also:

- Promote understanding and co-operation between leaseholders and others using PANP,

- Work to protect and enhance the environment, infrastructure, and recreational and cultural facilities within the Waskesiu townsite, and
- Provide a forum to discuss and share information on matters of concern to leaseholders.

A volunteer Board of Directors that is elected or appointed looks after the business and affairs of the WSRA. (Current directors listed below.) Directors should be a mix of women and men that represent the cabin and cottage area as equally as possible.

Outstanding issues include cottage regulations, land rent, parking, marina trailer storage, townsite status, Park entrance limitations, and greenspaces in the 30' cabin area.

Our website is housed within Waskesiu.org, at http://www.waskesiu.org/seasonal_residents.html. Our email address is WaskesiuSRV@gmail.com

Aug 25	Waskesiu Lakeside Music Festival
Sept 7-8	Reel Rave Waskesiu Film Festival
Sept 22	Outer Limits Fun Run

Waskesiu Seasonal Residents Association Membership

In order to drastically reduce the effort required of volunteer canvassers who go door-to-door each year collecting WSRA memberships, **the membership fee structure is set up so that you save money by renewing your membership for 5 years**, as follows:

Annual Membership Fee: \$30
 5-Year Membership Fee: \$100

This fee structure allows canvassers to concentrate on signing up new members, which will make our voice in the Park stronger. And you'll have fewer interruptions during your time at the lake. Payment can still be made by cash or cheque, and we are also offering an electronic method of payment as well. *Thank you to those who are already on multi-year memberships.* At the end of the period you are prepaid for, we'll be around again to sign you up for another 5 years.

How will you know when you are paid up until? All members will be provided with the window sticker shown here, with an accompanying date sticker that shows when your membership is good for. Your membership canvasser will have them available, and they can also be picked up from Rob Phillips at 1519 Nighthawk (rob@phillipssk.ca). We'll also provide you with a receipt for your records and be able to check the date paid until in the WSRA membership database.

You can also help reduce the effort required by neighbourhood canvassers by filling out the form below, and

- Mailing it to Conor Quinn, at 28 Dunning Crescent, Regina S4S 3W1, or
- Bringing it along to the Annual General Meeting (July 17, 2016. 10 am, at the Terrace Gardens)
