A Partners For Community Living event to provide funds for the Wish Lists of Choices In Community Living and Resident Home Association in support of individuals with developmental disabilities

ABOUT US

Partners For Community Living is a partnership between two nonprofit organizations in Dayton, Ohio that provide homes and other services for individuals with developmental disabilities. Our partner agencies are Choices In Community Living, founded in 1985, and Resident Home Association, founded in 1966.

Our Wish Lists provide clothing, shoes, furniture, medical equipment, recreation and more when there are no other funds available to meet these needs for those we serve. Our Bowl-A-Thon is our primary fundraiser for our Wish Lists. **100% of the proceeds go directly to our Wish Lists.**

PARTNERS BOWL-A-THON

Our Bowl-A-Thon is held each Spring at Beaver-Vu Bowl. Our goal is to raise funds in support of our Wish Lists **and** to develop friendships through a great night of bowling with our bowlers from Choices In Community Living and Resident Home Association.
