From the President's Desk:

Welcome to August!

Our marquee event of the month is, of course, the family picnic. Look below for more detail. In short, it is August 25th, starting at noon. The picnic is open to members, their families and guests. There will be food, games, fellowship and ICE CREAM! I look forward to seeing old and new friends.

Repairs to the trout raceways and filter boxes have begun. Stop by and take a look see. We will be continuing to work thru September. Look for email blasts as events unfold.

Sunday, August 25th at 12:00 pm

Put it on your calendar now. All members, their families & guests are invited. This is also a great chance to introduce friends and neighbors to our club. The club provides the meat, rolls, drinks and ice cream, and everyone should bring a side or dessert. There will be games and door prizes.

LAKE TONIAN

Water is warming up, the fishing is slowing down. We are seeing an (almost immediate) improvement from the removal of largemouth bass from the pond. Bluegill recruitment is very high as seen by the numbers of fry growing along the shoreline grass/cover.

An interesting note from examining the stomach contents of the bass I have taken from the pond over the last month: All the female fish had empty stomachs, however all were also in various stages of egg re-absorption from not spawning. All male fish over 10" had 1.5-2" crawfish in their stomachs. All male fish under 10" were packed with midge larvae.

The incidental bluegill being caught are still showing signs of spawning - females dropping eggs and males colored purple and darkened. (Reminder: Panfish are all catch and release)

JUNIORS

Hi Juniors!

Hello Juniors, at this month's meeting we will be having a campfire to say goodbye to summer vacation. Come join us at 7pm on 8/20. Next month we will be planning our annual trip to Limestone. Please send me an email so I can have an approximate head count by August's meeting. The planned date will be September 22nd.

Afterwards we will go to Middle Creek's national hunting and fishing day. This date may change depending on input I receive from my juniors (However, if we change the date we cannot do the event after fishing). Thanks, *Sarah Chenoweth*

IWLA Juniors are our kids. Ages 8 to 18, our kids are very active! Fishing trips, 3D archery shoots, making bird houses, help in raising trout & pheasants, community service projects and much more! Membership is only \$20.00 per year. Meetings are the 3rd Tuesday of the month, 7pm at the IWLA grounds, Juniors Clubhouse.

Visit our Junior Page for more information:

Fun Shoot

This months FunShoot was a huge success! We treated 64 shooters (a record number!), including a dozen or so new folks, to 6 stages of 25 or so pieces of falling steel, and 1 stage of fig newtons. Yes, we shot cookies, what a blast. Next month we will treat our shooters to a stage of tomatoes.

Our FunShoots are a nice, low stress way to just have some fun. They are non competitive in nature, and designed with the new shooter in mind. That is not to say they are totally easy, we mix in moving things like rotating stars, and small stuff far away. For more info visit our FunShoot page, <http://www.yorkiwa.org/funshoots.html>, and watch our blogspot, <https://yorkpistol.blogspot.com>, for all announcements concerning our shooting programs.

22PRS

We had another successful 22 PRS match on 8/4. We had 8 very challenging stages with 25 shooters. Congrats to Tony Gimmellie(bolt) and Aaron Sparrow(semi) on their class wins. Congrats to Christopher Ventura on winning the Vortex 50% off certificate.

Falling Steel

The weather was beautiful for our August 3rd Falling Steel match. 37 shooters enjoyed knocking over about 170 pieces of steel across 5 stages. We have shooters very new to the sport, and experienced veterans side by side. Paul Nowotarski was the overall winner with a combined time of 91.1 seconds with his 9mm carbine. On Sunday, October 13th we'll be having an even bigger version with 7 stages. Registration for that match has already begun, visit our website for information and the registration form at: <http://www.yorkiwa.org/pa-falling-steel-championships.html>.

Trap

Come join us every Monday Night 6pm-9pm. Open to the Public. Bring a friend. We have Voice Activated Pullers and Lit range. Cost per 25 targets: \$4 for adults, \$3 for Juniors (16 & under)

Our annual pit meat sandwich sale will be held Saturday Sept. 7th. It will be held across the street from The Glad Crab, 3086 S Queen St; Dallastown, Pennsylvania 17313 ... We will start setting up at 8AM and start serving at 9AM. Help will be needed loading chairs, tables etc. at the clubhouse at 7:30. We will also need help during sale. You can contact me at mewalker@zoominternet.net or call 717-244-5385. We are usually finished by 2pm. It is a great way to support the club and for new members to meet the old ones and visa versa. Please get the news out anyway you can, tell your neighbors, friends and families. Also post on all social media. Word of mouth is the best advertising. Chumley's will be serving pit beef, ham and turkey. The price per sandwich will be \$7.00. These are great sandwiches and well worth the money. See you the 7th. — Peggy Walker

TROUT COMMITTEE

Wow! What a morning! At the peak of the heatwave, about 20 folks showed up to help us remove the dam, so that repairs to the raceway and filter box can commence. We slaved, and despite a few setbacks, equipment issues, management by chaos, confusion and such, we got it done! We got the dam out, the filter screens and weirs out, the filter box cleaned (no easy task with the stream running where it wanted, and not where we wanted it to), and the raceway washed down again. And in the middle of it all were a couple of kids riding the stream like it was a water ride at Hershey Park! How awesome is that!

All is ready for the repairs to begin. By the time most of you read this, contractors will be repairing the raceways; new filter screens, walking screens and filter box cap will be being fabricated and new aerators will have been acquired.

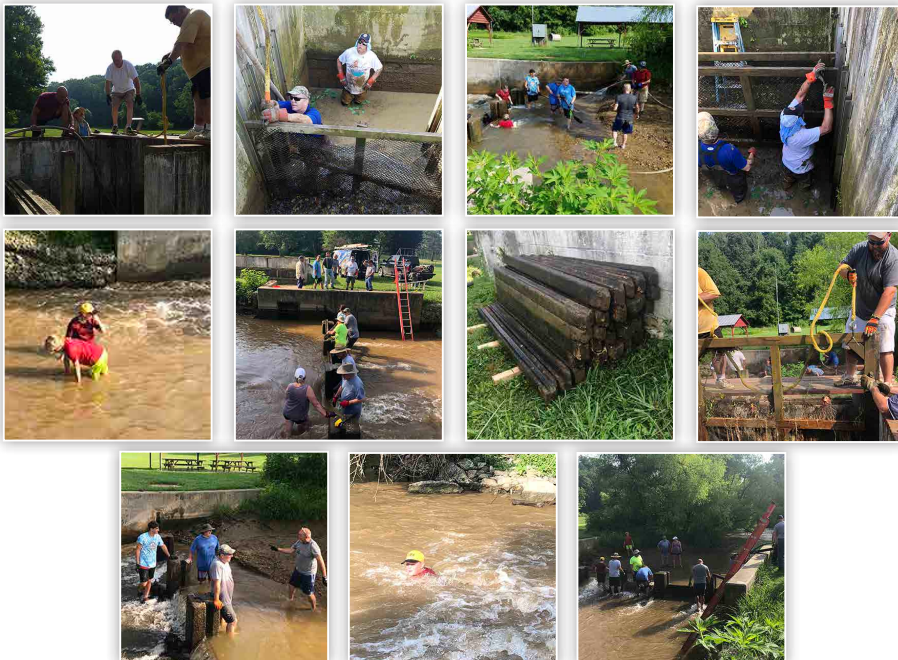

I cannot thank the members who showed up to help enough, especially the new faces! BTW, when I left at about 2pm, the thermometer on the shady side of the trout house read 105 Degrees.... I personally went home, cleaned up, and basically slept until Sunday....

Thank you so much!

The next 2 months are going to be busy, as we prepare for our new supply of 14,000 trout in late September. We will be having a couple of planned "trout area beautification and reconstruction" events this month, Aug 17 and 31st. We will be starting around 8 am. The tasks will be cleaning out and organizing the trout building, removing the flood damaged storage platform from the side of the building, building new weirs, assembling and setting up the new aerators and construction of the new filter box cover. Stop by and lend a hand, or supply moral support as you can. We will have light refreshments on site. Work gloves, and light construction tools will be the word of the days.

Look for email blasts as we get closer with more detailed info.
