### Perfect Weather Turns Out Fun Walk Blast

The CAPL's Cape Royale Fun Walk attracts over thirty-one participants of forty-three paid registrants for this year's library fundraiser. It was a beautiful crisp autumn day to participate in the Library's Ninth Annual Fun Walk. The fundraiser raised \$1,205.00 this year which is an all time high. Out of the profits there were \$345 in donations with nine reorders to be filled for more shirts.

Elgean Shield and his horn started the race at 9:00AM and also served as the emergency "EMS" for those who could not make it up the second hill. Refreshments all around were provided as well as door prizes won by twelve Lucky winners.

Many thanks to our sponsor, the Cape Royale Civic Association, for making the venue for the walk available, Goehrs Properties and Wolf Creek Heat and Air for the t-shirts. Special appreciation goes to other contributors and donors for their loyal support for the success of the event, and they are: Denise Hall, Denise and Billy McManus, Janet White, Maaike Hamel, Lamb Propane, Coldspring Veterinary, Coldspring Farm and Ranch, Lucky Star Cleaners, Coldspring Chiropractor, and Brenda's Hair Salon.

A special thanks goes out to the Library board for their effort and time to make this another successful fundraiser for the library. Thank You!
