

4561 North Josey Lane
Carrollton Texas 75010

June 29th, 2018

Dear Parents,

I am writing to you all with some exciting news! The Ridge Church has successfully secured planning permission for some improvements to the inside and outside of our existing facility. These will include remodeling the inside of the building and adding a two-storey building at the front. Please find more details about The Ridge's project at <https://s3.amazonaws.com/churchplantmedia-cms/the-ridge-tx/2018-building-update.pdf>. This block will provide improved classroom spaces which The Ridge Preschool will have the opportunity to use during the week. The church is incredibly generous in allowing us to take over the building while we are in session and it is with real gratitude that we, as a staff, look forward to making use of the new building.

At this point, we are expecting to start the year off as usual in our existing classrooms. There are various projects which need to be completed before any of the new work goes ahead. This means that it is hard to provide you with a specific timeline at this point, but I will be keeping in close communication with Pastor Ysavel Medina, our Executive Pastor, and will be able to keep you updated on any developments.

The church has assured us that space will be provided for our entire school year, we are expecting to start and to finish in our existing classrooms. But as with any building project, we will need to remain patient and flexible.

As always, if you have any questions or concerns, please don't hesitate to contact me via email, lucy.samways@ridgeonline.org or by phone (214) 577 0460.

Best wishes,

Lucy Samways

Director
