August 5, 2020

Dear Parents,

Tallahassee Adventist Christian Academy (TACA) will do remote learning during the first quarter of school beginning August 24, 2020-October 16, 2020. The conditions surrounding Covid-19 are continually evolving and TACA's plans will be constantly evaluated to adapt to the continuing trends of the virus.

Students will remain at home and teachers will teach from their classrooms within the school. Kindergarten through Grade 8 will engage in daily learning activities delivered through Canvas/ClassDojo in core content and elective areas. Daily student participation and progress in learning activities will be required. A structured schedule will be offered to students and indicate time periods when peer collaboration will be provided throughout the day. This will expand opportunities for students to engage with content and interact with teachers and classmates. The schedule will reflect time for independent, synchronous learning activities taught by TACA teachers and will include breaks and lunch. A caregiver will need to be available to support younger students with navigating the daily schedule and with providing assistance with learning as needed.

TACA will continue to plan for a return to an in-person option later this fall and provide an update on our next steps no later than October 17.

God bless you all...stay safe!

Darcel Castaneda  
Principal  
Tallahassee Adventist Christian Academy
