## Making the Pie Larger

**Time, Talents, Passions**

We give thanks for all that we have and for all that we are by serving the Lord our God in all things.

**"You are the salt of the earth;"** but if salt has lost its taste, how can its saltiness be restored? It is no longer good for anything, but is thrown out and trampled underfoot. **You are the light of the world.** A city built on a hill cannot be hid. No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all in the house. In the same way, **let your light shine before others, so that they may see your good works and give glory to your Father in heaven.** "(Matthew 5:13-15)

You are salt and light for your home, your school, your job, your community and the world. You were created to be positive influence in the community in which you live. We give thanks and praise to God as we give our life away to others with generosity and share all that God has created us to be...time/talents/passions!

How might the Body of Christ at Palestine Lutheran Church help you realize God's dream for you this year? Your Pie is larger and richer than you think!
