

# THIS IS ME.

*"This is Me"*

*Fashion Show/Silent Auction*

*Hosted by the Fly Brave Foundation*

Date: Sunday, September 10, 2017

Time: 4-7pm

Location: California Auto Museum

2200 Front Street, Sac, CA 95818

This Fashion Show is a showcase of each model's individuality. 30 models with developmental disabilities will walk the catwalk in outfits they have put together to describe who they are. Our MC will announce each model, what their interests are, and how their clothes tell their story.

There is a Silent Auction component to the Fashion Show. Donations from local businesses, artisans, the Sacramento KINGS, Sac Republic, and other teams will be on display. Also up for bid will be artwork, jewelry and woodwork created by teens and adults on the autism spectrum.

Drink tickets to a wine bar will be sold the night of the show. Appetizers will be provided.

We are grassroots and this is our first fundraiser. All proceeds made during this event will go toward obtaining a physical location for our employment training program. You can read more about our mission on our website at [www.flybrave.org](http://www.flybrave.org).

We hope our community will join us for an evening of fun and cheer on our amazing models.

Tickets are \$20 per person and can be purchased [here](#).
