## Board of Trustees Meeting

On Tuesday, June 9, 2020 at 5:00 pm, the Board of Trustees will hold their regular scheduled monthly meeting using Zoom Video Communications (Zoom), as they did last month. Individuals are not required to have a Zoom account to attend, only the host [Village Administrator] is required to have an account in order to maintain control of the meeting. This video conference is open to the public, similar to all Village meetings, and individuals will be able to join using the Zoom mobile app or desktop applications for Windows and Mac. The preferred device's audio will be used. A link and instructions to join this meeting will be provided on the meeting agenda and posted on the Village website. All participants will be muted upon entry by the Administrator in order to avoid disruption. This will not affect the public's ability to view and hear the Board of Trustees throughout the meeting. Persons interested in making their views known on any matter should send an email with their comments to the Village Administrator/Clerk at [carla.innsbrook@gmail.com](mailto:carla.innsbrook@gmail.com) no later than 30 minute prior to the start of the meeting. All comments received will be entered into the public record and publicly read as time allows. If technology permits, a video recording of this meeting will be available on the Village website within 24 hours of meeting adjournment.
