This one of the nicest BP Rogues that I've run across. George Birnie designed a great performing recurve in the Rogue. Marblewood riser. Riser was cleaned up and touched up with a few new coats of Tru-Oil. This bow has no delamination; no cracks. Overlays and tips are in great condition. No drilled holes. No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in near mint condition.

INCLUDES A BRAND NEW STRING.
