Welcome to the Cradle Tribe

Africa Cradle of Humankind. Home of dark skinned people. They developed civilizations along the coastlines (Atlantic, Indian Oceans, Mediterranean Sea) & major rivers (Nile, Niger, Zaire, Zambezi).

African people are the original inventors of astronomy, building in stone (obelisk, pyramid, temple) & brick, horticulture (gardens and orchards), hygiene (baths, soap, cosmetics), mathematics (numbers, ...), medicine, metallurgy, music (drums...) paper (papyrus), physics, politics (diplomacy, peace treaty, trade agreement), practiced agriculture on a large scale, transport (boats, caravans...), water management (developed systems of irrigation), writing (hieroglyphics).

Africa, where Gazelle and Zebra graze, where Cheetah and Warthog roam where Flamingo and Shoebill wade, where Cobra strike and Mamba spit, where Elephant and Giraffe munch, where Wildebeest are loose, where Apes and Chimpanzee frolic, where Lemur swing and Meerkat play, where every Shire has an Obelisk, home of the Cradle of Humankind.

1 GOD believes in 7 Tribes.

1 GOD's longterm vision for humankind always was that of 7 Tribes with 7 main languages and many dialects. Globalization is destroying this vision making Globalization Anti 1 GOD.
