"The Adventures of Selika" is based on an image of Selika Lazevski, about whom little is known. The image was by Felix Nadar, renowned 19th century French photographer of celebrated people (authors, scientists, painters . . .). Curious and puzzling, I was struck by the strength and pride that exude from this image of a beautiful black woman elegantly dressed in a riding habit, believed to be an equestrian of haut dressage in 19th century France
