## FROM THE DESK OF THE DIRECTOR

The Pickaway Senior Center was started in April of 1972. **Our ANNUAL FUND-RAISER April 21, 2017 will be a celebration of the Pickaway Senior Center's 45th Anniversary.**

In my office hangs a beautiful picture with a quotation on vision. *VISION: The best way to see the future is to create it.* We are grateful to those that had the vision and saw the need for a Senior Center in Pickaway County.

It has been a tradition of the Senior Center to hold our Annual Fundraiser Dinner / Auction each spring dating back to 1986. Just think how many cakes have been auctioned off over the last 30 years. Funds

raised each year at this event are important to improving and expanding quality senior services throughout Pickaway County. Please call the Center to secure your tickets for this fun evening or to let us know what you plan to donate for either the silent or live auction. In honor of our 45<sup>th</sup> Anniversary, let's all work together to make this our most successful Annual Fundraiser yet!

We have quite a full calendar of things for you to enjoy in March before we even get to April and Fundraiser. **Ohio Christian University** will be at the Center on **March 15th** with a wonderful program, including musical selections

from the OCU choir and a discussion on estate planning. OCU is covering the cost of lunch for those in attendance to their program. *We need you to call the Center in advance to make your reservations for the program and lunch.*

The Kitchen is planning the **March Secret Lunch** on the **16<sup>th</sup>** with a fun St. Patrick's Day theme. Speaking of fun, our own Fun Bunch Cloggers will be on hand to provide our **March Monthly Fellowship** entertainment on the **23<sup>rd</sup>**. See you soon at the Center where: We're Living It Up!

*Cynthia Love*  
*Executive Director*

### ***Mature Driver Fatalities in Pickaway County, Ohio***

By: Patricia Nemeth, Ohio State Highway Patrol, Circleville Post, Trooper

---

Sixty-nine percent (69%) of the fatal accidents that occurred in Pickaway County in 2016 involved mature drivers. In eight (8) of the nine (9) fatalities, the mature driver was found to be “at fault” in the accident. Three (3) of the nine (9) individuals were not wearing a seat belt. “Mature driver” is defined as a driver fifty-five (55) or older.

One (1) of the drivers on Tarleton-Adelphi Road Left of Center and not wearing a seat-belt, three (3) perished in Failure to Yield the Right of Way crashes. Five (5) individuals drove off the road for unknown reasons. There are multiple causes for these fatalities, but some of them are entirely preventable and within your control.

Distracted driving is an epidemic. Eating, talking or texting on your phone, and ensuring your seat is in the proper position for you to see, wearing a seat belt, and driving the speed limit are all within your control. Recently, a seventy-one (71) year old female was stopped on Walnut Creek Pike for speeding. Her seat was reclined and her head was tipped back in order for her to eat crackers from a cellophane package. The gravel berm Walnut Creek Pike is less than a foot with a substantial ditch line on either side of the road. She had no room for mistakes. Not realizing she was speeding and displaying unsafe driving traits, she was a potential statistic.

Properly securing your seat belt and ensuring your seat is adjusted properly are easy and quick lifesaving steps. A seat belt ticket in Pickaway County is ninety-one dollars (\$91.00). Save your life and save your pocketbook – put on your safety belt.

Many people mistakenly believe that the highway is dangerous and back roads are safe. Drivers fail to give back roads the increased attention that is necessary when navigating them. With smaller berms, gravel berms, no center line, and a lack of a straight course all lead back roads to be very dangerous for all drivers, but particularly mature drivers who are familiar with the roadway and perhaps fail to give driving the necessary attention.

Reaction time decreases as our ages increase. Eyesight diminishes. Take the time to visit your doctor to get your prescription checked.

The Ohio State Highway Patrol, Circleville Post cares about our mature drivers. We want you to employ every tool available to you to ensure your safety while driving our roads. Those nine (9) mature drivers were stolen from us too early. Don't be the next statistic.

**Estate Planning**

It is often difficult during one's lifetime to give, yet many would like to make a significant contribution. You might want to consider a bequest to the Pickaway Senior Center.

We have established a Pickaway Senior Center Fund within the Pickaway County Community Foundation to help ensure we are able to continue meeting the needs of the seniors of Pickaway County well into the future.
