Date: July 6, 2020

To: Mayor Matt Seale

RE: Website buildout proposal

From: Scott Spivey
CEO, AsystYOU Technology

Matt:

Here is the proposal we discussed for AsystYOU Technology (AYT) re-designing the City of Ocilla's website. I have broken the proposal down into the phases typical for this type of project and the deliverable you can expect at the end of each phase.

Currently the City of Ocilla has a website registered at <https://cityofocillaga.net>. That domain can continue to be used moving forward with no need for change or update. Alternatively I did look into the .com extension for the City of Ocilla and found it is available. If you choose, you can register <https://cityofocillaga.com> and switch your hosting to that moving forward. This is simply an option to consider since the .com domain is more common.

Phase 1: The first phase is where AYT will re-design the look and feel of your current website. We will use your existing site as the basis for what content is needed on the new site but will update the look and feel to a more modern design.

Deliverable: At the end of Phase 1 you will receive a recommendation of all content needed and a layout for the re-designed City of Ocilla website.

Phase 2: Build first version of new site - This phase will build a "working" version of the new site. This working version of the site will be private and allow you to confirm the direction of the site is consistent with the draft from Phase 1. Changes will be made before moving forward to the next phase.

Deliverable: At the end of the Phase 2 you will have a working version of the City of Ocilla site that includes updates and change requests you have made.

Phase 3: Complete web site build - The completed web site will be built to work on mobile devices as well as traditional PCs. The 2018 statistics for web traffic was 52.2% mobile. This requires the City of Ocilla site to be built with this principle in mind.

Deliverable: At the end of Phase 3 you will have a completed City of Ocilla site that is ready to go live.

I have tried to keep the cost of the project as narrow as possible. The overall length of time it takes to complete the site will depend on several factors. Generally this type of build will take 6-8 weeks. We will keep you updated on the progress as we move forward.

Pricing

I am submitting a fixed bid for development of **\$3,093.75**. This bid will cover all work necessary to compete Phases 1-3. The break down of the time expected for each phase is as follows:

	City of Ocilla
Phase 1	15
Phase 2	15
Phase 3	25
Total	55

If you accept the fixed bid there will be no additional charge for work (in the scope of this agreement) that exceeds the estimate for each phase or in total.

Payment Schedule

Deposit 25%
1st Payment 25% after successful completion of Phase 2
Final Payment 50% (remaining balance) after successful completion of Phase 3

Ongoing

\$149 per month - Included services:

- Hosting, DNS registration, SSL registration, Site backups
- 3 hours labor - Updates and security patches

Any additional work/services needed will be billed at a rate of \$75 per hour.

As discussed, if needed we can maintain your site in its current GoDaddy hosting environment. There will be configuration changes needed on our end to manage a GoDaddy site. We will keep our monthly ongoing fee the same since the eliminated cost of DNS, SSL and backups will offset the cost of configuring our process for a GoDaddy site.

I appreciate the opportunity to submit this bid and look forward to hearing your thoughts. Feel free to reach out via email or phone if you want to discuss this further or have questions.

Sincerely,

Scott Spivey

Judge's Recommendation for Public Defender/City Prosecutor

Mayor Matt Seale presented Judge Tom Pujadas' recommendation for Public Defender/City Prosecutor.

From: Tom Pujadas <tomlaw@mchsi.com>
Sent: Friday, June 26, 2020 2:36 PM
To: 'mayor@cityofocilla.net' <mayor@cityofocilla.net>
Subject: Municipal Court staffing

Mayor:

As I previously advised, I have been canvassing the surrounding area to find us a City Court Solicitor and Public Defender so that we can come into compliance with applicable constitutional standards, with the following (best) results:

Solicitor:

John Rumker and Ian Samsot of the Waycross Circuit DA's office are willing to serve as solicitor (on a sort of tag team basis) for the total sum of \$500.00 per month.

Public Defender:

John Mobley, Tifton Circuit Public Defender, will provide Public Defender services for \$500.00 per month.

Applications for a Public Defender call for a \$50 application fee and it is possible in some cases, if the Defendant is found guilty, he/she can be assessed fees for the Public Defender. Collection of those amounts can be used to defray the cost of providing these court personnel.

I would appreciate if you could add this to the agenda for July's meeting so that we can proceed with these essential personnel.

Thank you,
Tom Pujadas, Municipal Court Judge

After the City Council reviewed the information, Mayor Matt Seale called for a motion.

Motion by Councilwoman Claire Clayton and 2nd by Councilwoman Mona Paulk to approve the Judge's Recommendation for Public Defender/City Prosecutor as presented effective immediately.

All in favor please raise your hand – Voted 4 yes; Opposes none – Motion carries unanimously.

Ninth:

has health issues. City Clerk Lucile Middlebrooks stated that the City will need to take bids for a new auditing service.

- Thirteenth: Tax Equality Resolution
Mayor Matt Seales presented the Council with his Tax Equality Resolution. He read it and explained to the Council in details what this will do for the City of Ocilla. He said he talked to Councilwoman Patrice Manley and she in favor of it.

**RESOLUTION ON EQUALITY IN TAXATION FOR TAXPAYERS AND RESIDENTS
OF THE CITY OF OCILLA, GEORGIA**

WHEREAS the City of Ocilla, GA is located within Irwin County, GA; and,

WHEREAS some services provided to residents and property owners in the City of Ocilla are provided by Irwin County, while others are provided by the City of Ocilla; and

WHEREAS some services are provided by Irwin County for the primary benefit of residents and property owners in the unincorporated area of Irwin County; and,

WHEREAS OCGA 36-70-24 provides that "the cost of any service which a county provides primarily for the benefit of the unincorporated area of the county shall be borne by the unincorporated area residents, individuals, and property owners who receive the service"; and

WHEREAS OCGA 36-70-24 also states that "when the county and one or more municipalities jointly fund a county-wide service, the county share of such funding shall be borne by the unincorporated residents, individuals, and property owners that receive the service;" and

WHEREAS services provided primarily for the benefit of the unincorporated area of Irwin County include, but are not limited to: garbage service through dumpster sites, road and drainage maintenance, water service, fire service (including the building, manning, training and equipping of county fire stations), and law enforcement patrol and investigative services; and

WHEREAS services provided county-wide through joint funding include, but are not limited to: recreation programs, Joint Drug Task Force, Irwin-Ben Hill Joint Development Authority, Irwin County Senior Center operations, and Irwin County Library; and

WHEREAS the Mayor of Ocilla has attempted to address these issues since 2016 in public meetings and private conversations with Irwin County Commissioners, by pointing out the issue and recommending its resolution through lowering the property tax for incorporated taxpayers more than unincorporated taxpayers, as well as by instructing on how to implement a special service district and even providing the actual resolution to create one; and

WHEREAS the split of sales tax revenue in Irwin County is more than 60% to the Irwin County government even though over 80% of the sales tax revenue is generated by retail operations inside the incorporated limits of the City of Ocilla; and

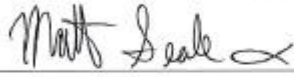

WHEREAS not a single member of the Irwin County Commission has made any attempt through any recommendation or motion on record to correct this inequality;

NOW THEREFORE BE IT RESOLVED by the Mayor and Council of the City of Ocilla, Georgia, seeking fairness and equality for its citizens and property owners, that changes must be made and we implore the Irwin County Commission to make the necessary changes, as required by law, to address the unfair subsidy by citizens and taxpayers of the City of Ocilla to fund

services that are for the primary benefit of residents and taxpayers in the unincorporated area of Irwin County and county-wide services where the cost is shared between the two governments.

BE IT FURTHER RESOLVED that the same Mayor and City Council hereby formally request that Irwin County, in accordance with OCGA 36-70-24, show documentation showing revenues received through mechanisms approved to fund services for the primary benefit of the residents and taxpayers of the unincorporated area of Irwin County along with the costs associated with those services for each fiscal year dating back to 1999.
