Harmony Dance Center Dress Code (continued)

FLESH-TONE TIGHTS – Capezio Brand, preferred: Tights should match their skin-tone as closely as possible. We carry limited supply of skin-color tights at HDC. However, the Capezio store has more color options in-store. When selecting your tights, try to find exact match or 1 shade **darker**. Lighter tights do not look well in photos or on stage, as they looked "washed out."

HAIR - Hair must be up and secured away from face during all dance classes. Beads and Barrettes should be covered with bonnet or scarf. Satin hair bonnets are available from the office for $4. Hair ties are available from the office for $1 each.

JEWELRY – For everyone's safety, no jewelry should be worn in class. Flat earrings smaller than the size of your earlobes are acceptable (studs are OK). No hoops or hanging earrings are permitted.

UNIFORM - All dancers must be in the correct uniform for their class each week. **Students out of uniform will NOT be permitted to participate.** Option to purchase dress-code item(s) from the office (if available) or observe for the day.
