Club Awning

The awning over the club deck has been replaced. I think it looks great and I think we should thank all the members responsible for the installation the awning.

50/50

Frank Pena was the winner of the May 50/50.

Attachments

There are 2 attachments being sent along with this newsletter. One is a chart showing the exclusion area outside Hempstead Harbor where the NY Power Authority is repairing an underwater power cable. The second is a letter from the NY Coalition For Recreational Fishing to the Atlantic States Marine Fisheries. This letter is offers comments about changes in striped bass management.

Both of these attachments are of interest to us and we should take the time to read both of these attachments.
