

# DOES IT BRING YOU JOY?

## Getting Rid of Stuff You Don't Use...

A TOL Thursday volunteer recently read a book and shared the concept: If you have items or clothing that you no longer use and those items don't "bring you joy" anymore when you see them, it may be time to "gift" those items to someone else who might treasure them!

With that in mind, TOL is asking for your help.

We will receive the profits-after-expenses of a local Thrift shop in September. This will help us buy supplies that will bless babies and their

families. We need to collect and donate as many items as possible from June 1 to August 15, to be sold in the Thrift shop during September.

If you have **jewelry, household goods, books** including small furniture or appliances or clothing items you no longer want or need, please bring them to TOL headquarters. If you are unable, let us know and we will arrange to pick them up!
