Good Afternoon!

My apologies, as I was unable to publish yesterday due to a down internet and some additional technical difficulties. Hopefully this will go out in time for those who may be interested in today's calendar items. The Update also includes meetings and events for Thursday and Friday as well.

Please note Thursday's PUBLIC MEETING/WORKSHOP. Increases have been proposed by the Templeton Community Services District (TCSD) for development impact fees for Water, Sewer, Fire, Parks & Recreation, and accessory/secondary dwelling units. This is an opportunity to learn why TCSD has proposed the fee increases and discuss your concerns or thoughts with the Board of Directors. If you're building in Templeton and/or considering a secondary dwelling on your property, this is a MUST ATTEND workshop.

On the fun side, Templeton Middle School will be holding their "Back to School Night" on Thursday. On Friday, Templeton High School Football is at home against Mendota.

The next Update will have the weekend information. If you have youngsters that like to swim, don't forget that this weekend (Labor Day Weekend) is the last chance to swim before Templeton Pool closes for the season.

Important note – ticket prices for Whale Rock Music & Arts Festival go up on September 1<sup>st</sup>. Last year was sold out early, so don't delay. Please [CLICK HERE](#) to purchase tickets online. Don't forget, proceeds from this awesome event will benefit TIMBA (Templeton Instrumental Music Booster Association).

Last but not least, mark your calendars for a MASSIVE, HUGE, BOOK BONANZA Giveaway & Sale this weekend and the following Saturday. Please see "New Events" in this Update for all the info. If you enjoy reading, this is a "don't miss" opportunity!

[WED 77, THURS 85, FRI 89, SAT 89, SUN 82, MON 83, TUES 86, WED 86, THURS 89, FRI 87]

**NORTH COUNTY AIR QUALITY REPORT (AUG 29)** – The Air Quality Index (AQI) as of this morning (Wed) is listed as good for today and tomorrow with no health warnings. For more information, please [CLICK HERE](#).

## **NEW EVENTS**

**MASSIVE BOOK BONANZA GIVEAWAY & SALE THIS WEEKEND** – Templeton Community Library Association announced this week that it will hold a VERY BIG book event this weekend (Sat and Sun, Sept 1-2) and finish up the following Saturday (Sept 8). The event will be held from 9 am to 4 pm each day at the TCLA Book Room Annex (65 S. Main Street, Suite 102 at the corner of Gibson – “kitty corner” from Templeton Donuts).

There are THOUSANDS of titles! ALL paperbacks, textbooks (hardbound or paperback), and encyclopedia sets are FREE. A small donation is requested for hardbacks. Take all you can read or carry. Please bring your own bags or boxes.

The BOOK BONANZA is the result of a donation from the family of a recently deceased Templeton resident who had reading interests in History, the Civil War, Romance, Mystery, Sci-Fi, and Poetry. This HUGE collection contains novels and a multitude of topics. Unfortunately, this sale does not include children's books. The family's wish is that people enjoy the books and read them.

## **ROADS & TRAFFIC**

**PLEASE CONTINUE TO BE CAUTIOUS WHEN DRIVING IN TEMPLETON** – The traffic backup at the construction site on Las Tablas at Hwy 101 continues and motorists are encouraged to give themselves extra time to get through the area or consider an alternate route. Traffic before and after school has pretty much settled down into a normal pattern, but motorists are urged to avoid school site areas before and after school, while being aware of students walking, biking and skateboarding in the area. Don't forget that the project to refurbish Main Street is slated to begin after Labor Day Weekend.

**CHP TO STEP UP ENFORCEMENT FOR LABOR DAY WEEKEND – (CHP)** Many people consider the Labor Day holiday weekend as the end of the summer season and a time to get together with family and friends. To help ensure that everyone on the state's roadways remains safe, the California Highway Patrol (CHP) will be out in force over the Labor Day Weekend, looking for impaired drivers and assisting motorists in need. All available CHP officers will be on duty.

The public is encouraged to assist in removing danger from California's roadways. If you see or suspect an impaired driver, call 911 immediately. Be prepared to provide the dispatcher a description of the vehicle, the license plate number, location, and direction of travel. Your phone call may save someone's life.

## **WATER NEWS**

### **PRECIOUS RAIN – SLOW IT DOWN & SOAK IT UP**

Help replenish water resources - design landscaping to limit runoff and soak up the rain

#### **"California and Feds agree: No pot grows on public lands"**

*Courthouse News Service – August 28, 2018*

*By Matthew Renda*

A coterie of federal, state and local law enforcement officials, forest managers and scientists unveiled the results of their efforts to combat the environmental degradation associated with marijuana grows on public lands in California on Tuesday.

"There are 18 national forests in California and all 18 have been environmentally damaged to a severe degree by these grows," said U.S. Attorney McGregor Scott during a press conference on Tuesday.
