

Let us introduce Runner. He is an 8 year old Shih-Poo mix. He has white fur, dark ears, and weighs about 20lbs. At night he will sleep in his crate or snuggle with you in bed. He also loves receiving belly rubs as you watch TV.

He would do well in a home that is quiet, as he can get a bit anxious when things get too busy. When visitors come he can get excited and there could be a little accident.

Runner likes walks. He is very good on the leash and with meeting other dogs. He will sometimes let you know when someone is at the door with a bark, but is not a constant alert-dog. He likes stuffies that he can rip and shake, and will also pull his bed out when he is happy.

Runner tends to not like to give up items of interest to easily, so patience will be required.

He is not a great fan of car rides but maybe with a little patience he can learn to love the feel of the open road with the expectation of something great at the end of the trip. He will need to be in an environment where life can be taken slow and easy for awhile.

Runner is neutered, micro-chipped and up to date on vaccinations.

Runner would really love his forever home to be a quiet safe place so he can relax and give back all the love to his forever family that will be fortunate to share a wonderful life with this little guy.

Runner's Adoption Fee is \$350.00
