CCSS California Council for the Social Studies
Serving Social Studies Educators Statewide

The following lessons and classroom sources have been developed by H-SS leaders and organizations to give examples of ways to translate the Common Core State Standards into effective tools to build both social studies content understanding and enhance writing, reading, speaking, and listening skills.

Common Core College and Career Readiness The Four Keys to College and Career Readiness

Dr. Conley's Four Keys to College and Career Readiness model incorporates over a decade of research on what it takes to succeed in college and career. According to the model, students are ready for college and careers to the degree to which they have mastered elements in all four keys: **Think, Know, Act, and Go.**

IEP Math Goals for Counting and Cardinality

Goals Aligned With the New Common Core State Standards

The IEP Math Goals on this page are aligned to the Common Core State Standards, and are designed in a progress manner: once the top numeration goals are met, your students should be moving on through these goals and onto the intermediate grade goals.

The goals that are printed come directly from the [site](http://www.aft.org/sites/default/files/ccss_resource_guide.pdf) created by the [the Council of Chief State School Officers](http://www.aft.org/sites/default/files/ccss_resource_guide.pdf), and adopted by 42 states, the American Virgin Islands and the District of Columbia. <http://specialed.about.com/od/MathematicsforSpecialEducation/a/Iep-Math-Goals-For-Counting-And-Cardinality.htm>

Professional Development

EdHub: The Educators Resource Network

EdHub is an online library of professional development materials dedicated to the advancement of best practices in teaching and learning at the PK-12 and higher education levels. The EdHub library provides interactive online resources and a shared learning environment to support individual PK-12 teachers, principals, university teaching assistants, teacher prep students, and university faculty in creating a culture which values teaching and learning.
