HISTORY

Kiwanis Club of Waukesha

The history of Kiwanis in Waukesha is a long and outstanding one. It is a story of men and women who have met once a week for fun and fellowship and, through working together, have made our city a better place to live by providing leadership to many community endeavors.

We helped build Waukesha's hospital and have continued to support it over the years. Our club has helped build the pools, tennis courts, baseball diamonds and playgrounds in many of Waukesha's parks that are enjoyed today by Waukesha's youth and funded the Veteran's Pavilion that is part of the Riverwalk project. Youth camping has been supported from the beginning and our club has built piers, roofed cabins, donated tents, boats and canoes and provided camperships to local camping programs. We have donated needed equipment to Waukesha's police and fire departments and to St. Joe's Medical Clinic.

*The men and women of the
Kiwanis Club of Waukesha are proud
of our 95-year tradition of service
to our community.*
