

## **Young Professionals Report: Brent Rolf**

### **IRWA National Conference**

**By Brent Rolf**

The IRWA Young Professionals Symposium was incorporated into the IRWA Annual Conference that began on June 11th in Anchorage, Alaska. Thanks to IRWA Region 3, IRWA Chapter 20 and WSB & Associates, I was fortunate to attend the Conference. I attended the 1<sup>st</sup> Time Attendees

Orientation, the Opening Ceremonies which included a presentation on reducing conflict by Paul Endress, and also attended the Region 3 Caucus. Being able to attend the conference gave me a new appreciation for not only the IRWA as a whole, but helped me to realize how great our Region really is.

There were many educational session opportunities I was able to take advantage of during my time at the conference. Some of the topics included:

Leadership Styles: Engaging Your Future

Building a Successful Career: Key Ingredients that Make the Difference

Complex Residential and Non-Residential Relocations

Open Up Your Relocation Toolbox

Access After "Dakota Access"

Tips and Trips: My Climb from YP to Advisory Council

If you have any interest in IRWA, I strongly encourage you to participate in the Region 3 fall/spring forums, or attend the IRWA Annual Education Conference.
