REBUILD REVITALIZE

LOOKING FOR INDUSTRY LEADERS

The local NAWIC chapter is looking to **REBUILD & REVITALIZE** their impact in the western North Carolina/Asheville area. They are looking for members who would like to lead the charge to continuing offering its members education, support and networking to help advance their careers in construction, build their technical skills, and become leaders. This includes leadership opportunities to be an officer or director that is needed to operate the chapter.
