Tuition Information

Please make sure the front desk and your online portal has a current credit card on file. The September tuition payment and the \$37 registration fee is due at the time of registration. The remaining nine tuition payments are due by the first of each month, October-June, and will be taken from your bank account or credit card on file on the first of each month. As a parent, you can edit your credit card information through the online parent portal. Your credit card and its information must remain up to date.

You will not receive a monthly bill/statement from our office for your monthly tuition. If you wish to receive this information, please see the front desk. Tuition is paid over 10 equal monthly installments September 2024- June 2025. The calendar in each month will vary depending upon which day you have your class with classes meeting from 2 to 5 times each month. Any account unpaid after the 7th of the month is automatically subject to a \$25 late fee. ***Late fees apply to the non-refundable Metro Dance Company dance competition payments and fees.** Any student with an overdue balance of more than 30 days will not be allowed into class until payment in full is received. **There are no refunds for tuition, costumes, or competition fees.**

Watch Week! We have TWO watch weeks on our calendar in the Winter and Spring. During 'Watch Week' parents, families and friends are welcome to observe their dancers' classes and see what we have been up to! Please reference the '**List of Dates**' information for more details. We will keep you up to date on any changes via e-mail & social media.

What Happens If I Miss My Class?

You are welcome to make-up any group classes that you miss due to illness, vacation, etc. Classes must be made up within the month that you miss and can be made-up by contacting the front desk for appropriate and available make-up classes.

Dance Recital Costumes

Recital costumes deposits of \$43 per recital costume and \$45 per competition costume are due on September 16. The remaining \$43 or \$45 per costume balance is due on November 15. Teachers will measure all students for costumes in the Fall and costumes will be ordered in the Winter. All costumes are selected by the teacher and approved by the Studio Director. ***There are no refunds for costume fees.***
