- Polyurethane top coat adds long lasting durability.

Durable Finishes

Ashley Story

Welcome to Ashley Furniture HomeStore. We're the **#1 furniture retailer, #1 selling furniture brand and the largest furniture manufacturer in the United States/North America.**

Ashley designs, quality tests, builds, delivers and backs our own furniture ensuring it meets Ashley's own rigorous standards. We have the **largest selection & inventory** coupled with the best shipping fleet in the industry – ensuring fast dependable delivery to 95% of North America weekly.

Ashley is backed by 60 years of growth and excellence in the United States. They are **environmentally friendly, charitable & dedicated to the US economy** - investing more dollars in recent years in the US than all other furniture companies combined. With **over 12 million square feet of manufacturing & distribution capacity worldwide ... that's 250 acres!**

With over **7,000 sku's and delivering 35+ million pieces annually** and over **6,000 truckloads per week**, Ashley has the largest shipping fleet in the US. With Worldwide offices and manufacturing facilities, best in class suppliers and a global supply chain Ashley is able to offer industry leading marketing solutions and the best consistent quality story of any furniture company in the world.

#1 Brand, Retailer, Manufacturer, Shipper
