

## Parking at San Diego State

### YOU MAY:

- Park on residential streets – Saturday and Sunday only
- Park in lot 10 and lot 10A (across 55<sup>th</sup> St from courts), after purchasing an hourly parking pass at kiosk near the clubhouse. Please note there are only a few spots in lot 10 and about 20 in lot 10A.
- **WE HIGHLY RECOMMEND THAT YOU...** Park in the upper level of Parking Structure 7 (corner of Montezuma and 55<sup>th</sup> St.) after purchasing an hourly parking pass in the structure. We suggest that you give yourself an extra 10 minutes to find parking, pay at the yellow pay station, and walk across the fields. From the upper level lot you should walk down the steps to the soccer field, continue to the lower field, and walk through to get to the tennis courts. It is an approximate 5 minute walk. Please see below for a map.

If you are running late, you may drop your player off at the courts and return to the parking structure.

### YOU MAY NOT:

- Park in residential parking Monday and Tuesday
- Park in lot SP 107(white-lined), handicapped, or faculty/staff spaces (green lined). These designations may be written on the asphalt or on a standing sign.
- Park in the lot next to the Aquaplex, just past the kiosk near the clubhouse
