### Captain Robert Loken, Director, Maritime Administration

Please help us express our gratitude to Capt. Robert for spending an evening with us. We'll learn from the Director of Gateways of the details of how MARAD works.

Captain Robert's experience in the maritime industry partnering with the US government is impressive. His responsibility for the third largest intermodal port hub in the United States keeps him hopping'. We anticipate the information he will share with us will follow nicely with Sarah Scherer's message of last month's meeting from the Seattle Maritime Academy.
