

Booster meeting September 29, 2016  
7:30 pm CHS Band room

The meeting was called to order by Cathy Horton

Approval of the last meeting minutes:

Treasurer's report: there were clarifications of the line items and discussed that the actual treasurers report has the details for what is bunched together on this report for the simplicity. The question concerning the payment to the Wildcat Touchdown club was for field maintenance. The band made a donation of \$500 in good faith and in turn the band has been able to schedule more time on the stadium field. We received a nice letter from the football booster presidents complimenting how well the band section looked when we left it and how well they played. IT was refreshing to hear good news from the other boosters in CHS.

Shutterfly pictures: Lisa Crowder has been taking pics and will be uploading them to a shutterfly account. Ms. Johnston will have to enter an email address and then request to view by making their own account.

Upcoming fundraisers:

Nissan Stadium: - MCHS has withdrawn from participation. Basically CHS and Stewart County are the only ones showing up to man the booths at events. Still expected to do well as a fundraiser for the band. Just need to get thru October. Many events in this month. Chris has reached out to other CMCSS schools and is waiting for reply.

Pork Butt: Ms. J will be getting out some information soon on this fundraiser.

Peejays Fruit Fundraiser: New chair- person for this fundraiser. Linda (Gabe's mom) will handle the paperwork and logistics of the ordering and delivering.
