

# BLOOD MOON CARDINAL CROSS

If the Tetrad and Cardinal Cross are indeed marking a coming turning point in human history and specifically as it pertains to Israel, then the Rapture perhaps is tied to the Cardinal Cross that is demarking Argo, the Ark in the celestial star configuration that depicts the Grand Celestial Ship that takes the Pilgrims home according to the work of E.W. Bullinger. What is unique about this Tetrad is that the Grand Cross adds another layer of prophetic overtones after a Passover alluding to the Days of Noah. The Message of the Cardinal Cross being so near to the Passover is that the Ark of Deliverance is ready and available and perhaps a 'Last Call' to get in. What most will miss in observing this celestial alignment is the backside depiction of the Cardinal Cross is actually demarking. Upon an observation using the Stereographic view of the Solar System, it can be easily ascertained that the message of the Cardinal Cross is alluding to the Ark, the Celestial Boat that is built for the deliverance of the pilgrims metaphorically and Biblically speaking, the Ark is ready to be boarded. This study strongly suggests that the Cardinal Cross is demarking the focal point which emphasis Argo or the Ark. Such Signs by YHWH are perhaps meant to be taken notice of during this celestial Sign of the Tetrad, a Passover and Cross in the Heavens that are perhaps a 'Call' that a turning point is about to occur in the word and that the Ark is about to depart with the Church. Perhaps the time of the Tetrad or soon thereafter will witness this change and 'departing' scenario. The Rapture of the Church could occur as a reverse type of how the world was removed from Noah as the Church is removed from the world. Perhaps there will be a 1 year final boarding call as the calls to board trains often occur in comparison as trains are about to depart. Metaphorically, Jesus Christ was that 'Ark' during the Passover on which He became the Sacrificial Lamb to take away the sins of the World at another Cross, that of Calvary in Jerusalem. Could the Tetrad be so clear of a sign for Israel to occur after its Passover to have the Jews take note and look at a Cross and perhaps see YHWH which means, Behold the Hand, Behold the Nail.

## The Focal Point - Argo

This study strongly suggests that the Cardinal Cross is all about the Ark of Deliverance. It is a deliverance from this present evil world that has overtones of the Biblical storyline of Noah's Ark. This is depicted when one realizes what the celestial focal point of the Cardinal Cross is centered on. This center point is Argo, the Ship when configuring a Stereographic universe view from Earth's perspective. Argo is associated with the other signs of Cancer which means 'Messiah's redeemed possession held fast.' There is also Ursa Major, the large sheepfold and Ursa Minor, the smaller sheepfold.

## CELESTIAL PRECEDENCE

This study strongly suggests thus that YHWH is announcing that the 'Ark' is ready, the call is to be proclaimed to enter in through the only 1 and narrow door, Jesus Christ. In an analogy of Noah to the Rapture and Passover, YHWH's judgment passed over those that were under the Blood of the Lamb. It was as if the water of judgment passed over the Ark of Noah. Many in the Christian community will ascribe this focal point of Argo designated by the Cardinal Cross as an emphasis that the 'Deliverance' is about to occur, i.e., the Rapture. This study is not insinuating that the literal Rapture event will take place at the very time of a Tetrad Blood Moon or during of the Cardinal Cross. The Signs are perhaps just a putting on notice of when such deliverance could occur but that such incredible Signs as the Tetrad and the Cardinal Cross have reached their climax and prophetically, the People of GOD should be on high alert spiritually.

## THE ARK OF DELIVERANCE

Is ready to be boarded. The Cardinal Cross is demarking the focal point to take notice during this celestial sign in the Heavens. Perhaps the time of the Tetrad or soon thereafter will witness the Rapture as a reverse type of how the world was removed from Noah as the Church is removed from the world.

Argo the Ship is referencing 'The Pilgrims safe at home'. Argo is a depiction of a celestial ship or Ark that is made up of multitudes of travelers or 'Pilgrims'. It has 64 stars in the constellation. The brightest star is near the keel and is called Canopus which means 'the possession of Him who cometh.' Other star-names are

- Sephina The multitude or abundance
- Tureis The possession
- Asmidiska The released who travel
- Soheil The desired
- Subilon The Brach.
