We have two versions of our jacket, Black/Pink fleece are \$80 and the Black/White/Pink Windbreaker \$75 (paid upfront). When we put an order through we will need to get a minimum of 10 jackets.

#### **Dance Camp 2018**

This year our annual Dance Camp will be postponed to January 2020, due to the arrival of my little girl around the same time. It will be Toc H Camp, Waggon Rd, Victor Harbour from the 13<sup>th</sup> -15<sup>th</sup> of January. Our camp will be three days and two nights full of lots of dance and fun, however students may choose how long they stay (1 or 2 nights). We will be having workshops in various styles of dance, fun and games, themed nights and activities, our choreography competition and red faces. The total cost of the camp will be approximately \$200 (we are awaiting on price confirmation from the caterer). To secure your place a \$50 deposit is due by the 1<sup>st</sup> of November. Detailed note to follow Term 4.

#### **Car Parking**

We have had complaints from the neighbouring shops of our students using their car parking. Please be advised that you may park in our lot or out on street when no parks are available. If you struggle to find a park I suggest arriving slightly earlier before the change over of classes and this should help the congestion. Also please when parking, using only the amount of space needed to maximise spaces. Your understanding in this matter is appreciated.

#### **Competitions**

This year for our Troupe competitions we will be entering the Candance Competitions at the Hopgood Theatre 18<sup>th</sup>-20<sup>th</sup> of October. Students are not required to compete, however we approach the competitions as a fun way for the students to gain some stage experience.

The only cost for you will be costumes (which are the same ones required for the end of year concert). I will be taking measurements early term 3 so I can commence organising the costumes. All students will also need proper footwear and skintone gloss tights (for Jazz and Tap routines only), which will also be used for our end of year concert.

The students will be given information on how to style their hair and apply their make up at a later date. Parents and family members are able to watch the competitions but there is an entry fee of approximately \$10 for adults.

#### **End of Year Concert**

We will be having an end of year concert which will be held at the Hopgood Theatre on Sunday the 15<sup>th</sup> of December 2019. Our full dress rehearsal will be on Wednesday the 4<sup>th</sup> of December.

This year we are once again having two concerts, a matinee and an evening show.

**All troupes AND Finales will appear in both concerts. The presentations will be completely separate, we will have a Junior (U4-U10) presentations in the Matinee and Senior (U12-Adults) presentations in the Evening.**

Each class will be performing either one or two routines in each showcase plus the Finale, which will require costumes at your own cost. We will organise the costumes and accessories to make it as easy as possible for you. All costume, hair and make up details will be available late Term 3.

#### **LOST PROPERTY**

Please check the Lost Property Box Regularly.

#### **Practise, Practise, Practise**

In preparation for the competitions and concert, it would be great if parents would encourage their children to practise their routines at home during the week. If anyone would like their music to practise with, please bring in a USB or a blank CD with the student's name and class and I will put their music on them as soon as possible.

#### **Outstanding Fees**

Please make sure these are finalised before the completion of this term

**Yours in dance,  
Tiffany**
