

Dear Potential Business Sponsor,

This is a potential opportunity to support LGBTQ Deaf, Hard of Hearing, Deaf-Blind, and community allies, through sponsorship of the 2019 Rainbow Alliance of the Deaf (RAD) Conference. It will be held in Austin, Texas, USA from July 16th through 21th, 2019. This marks the 26th anniversary of the biennial conference and the 42th anniversary of RAD. The RAD is proud to host this biennial conference, and it is the largest conference of its kind. Roughly 150 to 200 people are projected to participate in this exciting educational and cultural conference as part of RAD.

Your business has been recognized for its outreach to communities and this event is another opportunity for your business to connect with a new segment of potential customers: Deaf, Deaf-Blind, Hard of Hearing, and community partners. There are over 2.5 million Deaf and Hard of Hearing people living in the United States. Many are well educated, gainfully employed with commensurable salaries, and significantly involved with their communities.

We are looking for business sponsors to help support this important conference, either by participating in our sponsorship opportunities or placing an advertisement in our expanded program book. Please find the attached detailed sponsorship options, on how your business can support the 2019 RAD Conference. A sponsor development representative will be contacting you for answering any question you may have regarding potential sponsorship opportunities. 2019 RAD looks forward to working with you and your business.
