

Tropical Flowers and Sashiko Supply List

Basic sewing supplies

Fat quarter of black or dark blue/Indigo fabric. Good choice is Moda Bella or any fabric with a slightly loose weave.

Scraps of fabric in various colors. Will go over in class how to choose and audition your fabrics. All of these flowers come in many different colors, not just what is shown on the pattern. Look up your flower on the internet to see all possibilities. There are many!

Appliquick fusible stabilizer

Applique needles of your choice

Applique thread to match your appliqué

Sashiko needles or needle of your choice. Needle needs to be long, 1.25" -1.50". Sharp with eye same size as needle. Example: beading needle or John James #3 milliners
